Behavior Specialist Consultants (BSC)

Description
Staffmore, LLC is currently seeking Behavior Specialists to work with children with special needs in Philadelphia, PA.

The BSC opportunity is a contracted position with Staffmore. The role of the Behavior Specialist Consultant (BSC) is to provide treatment plan development, oversight of the treatment team, and ongoing monitoring of progress with behavioral goals for the child and family. This requires strong communication, ability to work independently, excellent follow up and documentation skills, a motivated team attitude as well as demonstrated ability to work well within a treatment team. Services are provided in both school and home settings and require the ability to promote a provider friendly collaborative approach. Clients are currently available throughout Philadelphia.

Requirements for BSC:

- Master's Degree in psychology, clinical social work, counseling/counseling psychology, or closely related study with 12 core credits in behavioral health focus and behavior modification.
- Must have at least 2 year post-graduate mental health experience working with children
- BSC licensure or LPC/LSW/LCSW preferred
- FBA or ABA training
- Original PA Child Abuse Clearance
- Original PA Criminal Background Clearance
- Original FBI Clearance
- Two Original Letter of Recommendation
- Original Graduate Transcripts and Diploma
- Current Liability Insurance
- CPR & First Aid certification (within 6 months)

Please submit your resume to holly@staffmore.com or fax to 215-772-0303
