**Family Based Mental Health Professional – Full-Time**

Intercultural Family Services, Inc. is currently seeking a full-time, Mental Health Professional for its Family Based Mental Health Services Program. The Family Based Mental Health Professional (MHP) serves as the primary therapist developing and implementing systemically based interventions utilizing structural family therapy, cognitive-behavioral therapy, behavior modification, psycho-education and other researched-based approaches. They function as the team leader and work collaboratively with their teammate (Mental Health Worker) as well as other systems impacting the family (i.e. Family Court, Child Welfare, Educational Systems, other Mental/Behavioral Health Providers, etc.). This is an intensive and challenging position which requires a Masters Degree in social work, psychology, counseling, or related field. A Pennsylvania LSW is a plus; great organizational skills, great writing and assessment skills, flexibility, non-traditional work hours, enthusiasm, creative methods of engagement, excellent interpersonal skills and a “whatever-it-takes” attitude. Candidates must have their own reliable transportation; appropriate drivers license, insurance coverage, and current CPR certification.

**Outpatient Mental Health Professional – Independent Contractor**

Intercultural Family Services, Inc. is currently seeking three (3) Fee-for-Service Outpatient Mental Health Professionals (MHP) to provide therapeutic services for clients of our Behavioral Health Clinics in West and South Philadelphia. Duties include providing individual, group and family therapy to promote optimal mental health and well-being, conducting intake interview, providing recommendations for client admission, completing bio-psychosocial assessments, treatment plans for all assigned cases, prepare discharges and medication management treatment plans for Behavioral Health Clinic psychiatrists, and participates in peer review and case consultation process. This position requires a Masters Degree in social work, psychology, counseling, or related field. A Pennsylvania LSW is a plus. Candidate must possess knowledge of and sensitivity towards, the mental health issues presented in communities of ethnic diversity and the ability to relate within a multicultural work environment. Professional liability insurance is required.

**Behavioral Specialist Consultant – Independent Contractor**

Intercultural Family Services, Inc. (Intercultural) is seeking two (2) Fee-for-Service Behavioral Specialist Consultants with experience working with children and adolescents from diverse backgrounds to work at our Behavior Health Center. Qualifications: All candidates must be certified or have training in Applied Behavior Analysis Behavior Modification or currently enrolled in an ABA Behavior Modification Certification Program. A mental health related Master's degree and professional liability insurance is required. Candidate must have experience working in a multicultural setting.

**Group Mobile Therapist – Independent Contractor**

Intercultural Family Services, Inc. is currently seeking a Fee-for-Service Group Mobile Therapist (MT) to identify and develop specific strategies to modify the school behavioral problems of children at your assigned school for the number of hours authorized. Duties will include collaborating with the family, treatment team, school counsels/administrators and involved agencies in order to provide unified services and continuity of care to the child; identifying behavioral goals and intervention techniques, and recommend non-aversive, strength-based behavioral change methods; participation in all relevant school/treatment meetings i.e. IEP, CSAP, Interagency, and weekly supervision. Position requires a Masters Degree in Psychology, Counseling or Social Work required, as well as 3 years experience in human service agency with at least 1 year direct clinical treatment experience with children and professional liability insurance.
