Indian Creek Foundation is a nonprofit organization serving children and adults with intellectual and developmental disabilities in Bucks and Montgomery counties in Pennsylvania. Our progressive Behavioral Health Services program provides family-centered wraparound and outpatient services with a specialty in IDD and Autism. Services are provided through a team approach in which the family, caregivers and professional staff work through issues related to behavioral health needs in order for a comprehensive treatment plan to be established.

Indian Creek Foundation is an equal opportunity employer, and does not discriminate in employment opportunities or practices on the basis of race, color, religion, sex, national origin, age, disability, or any other characteristic protected by law. In order to provide equal employment and advancement opportunities to all individuals, employment decisions at Indian Creek Foundation will be based on merit, qualifications, and abilities.
