Behavioral Health Professional – Temp – Full Time – Philadelphia County

Provide group counseling and individual psychotherapy to emotionally handicapped children and adolescents with school and family intervention. Coordinate and conduct the admission of children into the school-based Children's Nurture A-1 Program at the assigned site. Provide crisis intervention and family consultation when necessary. Act as liaison with school personnel. Coordinate all therapeutic and administrative activities for assigned program. Perform other clinical and administrative duties as assigned by the Director.

MSW with 2 - 4 years experience providing group and/or individual counseling/psychotherapy with emotionally handicapped children and adolescents; experience with family counseling and consultation, crisis intervention and school consultation preferred; knowledge of the Philadelphia Public Schools preferred.

Social Worker – Temp – Part Time – Philadelphia County

Assesses and evaluates assigned patients. Conducts 1:1, family and/or group therapy, functions as the primary contact for treatment and discharge planning. Promotes implementation of therapeutic milieu and daily program schedule. Maintains a safe and efficient working and treatment environment per facility policies and procedures. Communicates effectively with the treatment team and ensure safe, quality care is provided to all patients.

MSW and one year experience providing assessment and treatment for acute psychiatric/geriatric population. Case management skills and must be able to work in a fast paced environment.

Therapist - Full Time, Temp to Perm – Chester County

Therapist to provide clinical and case management services to children and adolescents who are diagnosed with Mental Health and Behavior Conduct Disorders. Performs a variety of activities designed to facilitate the admissions process for assigned clients to include, but not limited to, gathering biopsychosocial information, identifying client strengths, identifying and assessing risk, and completing all required information for electronic medical records in a timely fashion.

Creates initial treatment plan to include measurable short-term objectives, measurable clinical goals, and specifying clinical strategies. Monitors and documents progress using monitoring tools at proscribed intervals. Conducts individual, family, and group therapy according to organizational, program, and professional standards and protocols, documenting such in a timely, legible, articulate fashion.
Facilitates 30-day review processes (diagnosis, medication, treatment goals and objectives, clinical intervention strategies, discharge planning) for assigned clients. Prepares for reviews by generating data involving individual, group, and family sessions, as well as therapeutic home visits, results of assessments, and/or other areas of concern.

Facilitates therapeutic home visits (THVs) to include scheduling, discussing rules and expectations while on the visit, developing crisis plans, and documenting effectiveness/outcome of THVs.

This position is responsible for the coordination and delivery of clinical services to include family, group, and individual therapy for assigned clients. Provides consultative services within the treatment team on clinical matters providing support and guidance to other team members, including direct care staff.

PA LSW with two years of clinical experience working with children and adolescents in a residential setting. Proficient computer skills.

**LTC Social Worker - Full or Part Time, Temp, Camden County**

The social worker will work with residents in the nursing home by identifying their psychosocial, mental and emotional needs along with providing, developing, and/or aiding in the access of services to meet those needs. Complete a social history and psychosocial assessment for each resident that identifies social, emotional, and psychological needs (MDS 3.0). Participate in the development of a written, interdisciplinary plan of care for each resident that identifies the psychosocial needs/issues of the resident, the goals to be accomplished for those needs/issues, and the appropriate social worker interventions.

Ensure or provide support and education to residents/family members/significant others to assist in their understanding of placement and facility issues in addition to referring them to the appropriate social service agencies when the facility does not provide the needed services. Coordinate the resident discharge planning process and make referrals for appropriate home care services prior to the resident’s return to the community.

NJ CSW required with at least one year of long term care experience in nursing home.
