

## Curriculum Vitae

Date: 08/15/2016

Katherine Bevans, Ph.D.

Address: 1700 N. Broad Street, 301-A  
Philadelphia, PA 19121 USA

If you are not a U.S. citizen or holder of a permanent visa, please indicate the type of visa you have:  
none (U.S. citizen)

Education:

1999	BA	Goucher College (Psychology)
2001	MS	Tulane University (Psychology)
2004	PhD	Tulane University (Psychology)

Postgraduate Training and Fellowship Appointments:

2003-2004	Intern in Psychology, Houston Independent School District, Houston, TX.
2004-2005	NIMH Postdoctoral Fellow, Center for Prevention of Youth Violence, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.

Faculty Appointments:

2005-2006	Assistant Scientist, Department of Health Policy & Management, Johns Hopkins School of Public Health
2006-2007	Assistant Scientist, Department of Population, Family, & Reproductive Health, Johns Hopkins School of Public Health
2007-2016	Research Assistant Professor of Pediatrics, University of Pennsylvania School of Medicine, Division of General Pediatrics
2016-2016	Research Associate Professor of Pediatrics, University of Pennsylvania School of Medicine, Division of General Pediatrics
2016-present	Associate Professor, Temple University College of Public Health, Department of Rehabilitation Sciences

Other Appointments:

2004-2006	Lecturer, Department of Psychology, University of Maryland, Baltimore County, University of Pennsylvania
-----------	--

2007-present	Faculty Associate, Department of Health Policy & Management, University of Pennsylvania, University of Pennsylvania
2007	Lecturer, Department of Psychology, Goucher College, University of Pennsylvania, University of Pennsylvania
2014-2016	Director of Research and Evaluation, Violence Prevention Initiative, Children's Hospital of Philadelphia, University of Pennsylvania
2009-2016	Co-Director of Research Training, Leadership in Neurodevelopmental and Related Disabilities (LEND) Training Program, Children's Hospital of Philadelphia, University of Pennsylvania
2014-2016	Associate Director, Center for Applied Clinical Research, Children's Hospital of Philadelphia, University of Pennsylvania

Specialty Certification:

2004	Nationally Certified School Psychologist
------	--

Awards, Honors and Membership in Honorary Societies:

1998	Psi Chi National Honor Society in Psychology
1999	Phi Beta Kappa
2009-2013	National Institutes of Health Student Loan Repayment Award
2009	National Association of School Psychologists Early Career Scholar

Memberships in Professional and Scientific Societies and Other Professional Activities:International:

2010-2012	International Society of Quality of Life Research (Co-Chair of Special Interest Group in Child Quality of Life)
-----------	---

National:

1999-2014	National Association for School Psychologists (Co-chair, Special Interest Group in Pediatric Psychology, 2011-2013)
2003-present	American Psychological Association (member)
2011-2014	NIH Patient Reported Outcomes Measurement Information System (PROMIS) Standards Committee (member)

2013-2015	Academy Health (member)
2013-2016	Patient Centered Outcomes Research Institute (PCORI) working group in the protection of human subjects in patient-centered outcomes research (co-chair)
2014-2015	Patient Centered Outcomes Research Institute PCORNet Patient Reported Outcomes (PRO) Task Force (member)
2014-present	National Quality Forum (NQF) Person and Family Centered Care Standing Committee (member)
2015-present	U.S. Department of Education Office of Special Education (Peer reviewer for study section: Preparation of Special Education, Early Intervention, and Related Services Leadership Personnel (2015, 2016))
2016-present	Patient Centered Outcomes Research Institute (Grant Reviewer - PCORI Methodology Awards (Cycles 1 and 2, 2016))

#### Editorial Positions:

2005-present	Ad hoc reviewer for approximately 10 peer review journals including: Quality of Life Research, Developmental Psychopathology, Health Psychology, Journal of School Health, Journal of Teaching in Physical Education, Journal of Nutrition Education and Behavior, Social Psychiatry and Psychiatric Epidemiology, Psychoneuroendocrinology, Inflammatory Bowel Disease
2012-2015	Journal of School Psychology, Editorial Board

#### Academic and Institutional Committees:

2011-2012	Scholarship Oversight Committee (for 2 Developmental Pediatric Fellows), member
2010-2016	Health & Behavior Research Affinity Group Steering Committee, member
2011-2016	Children's Hospital of Philadelphia Health & Behavior Scientific Review Committee, member

#### Major Academic and Clinical Teaching Responsibilities:

2004-2006	Child Developmental Psychology, University of Maryland, Baltimore County, Instructor
2007	Quantitative Methods in Psychology, Goucher College, Instructor

- 2009-2016 Leadership Education in Neurodevelopmental and Related Disabilities (LEND), Children's Hospital of Philadelphia, Co-Director of Research Training
- 2011-2014 Health & Schools, University of Pennsylvania Graduate School of Education, Instructor

Lectures by Invitation:

- Mar, 2005 "Neuroendocrine Responses to Stress in Children"-Stress and Trauma, Tulane University, New Orleans, LA.
- Apr, 2005 "Addressing Student Behavior Problems: Conducting a Functional Behavioral Assessment"-Behavioral Management in the Schools, Towson University, Towson, MD.
- May, 2006 "Careers in School Psychology"-Applied Psychology, Goucher College, Baltimore, MD.
- Jul, 2007 "Caring for the whole child: Activating conceptual and practical strategies for promoting the health and academic success of all students", National Assembly of School Based Health Care, Washington, DC
- Sep, 2008 "Healthy Pathways to Student Success: A Positive Conceptualization of Child Health and its Relation to School Performance," University of Maryland Baltimore County, Baltimore, MD.
- May, 2009 "Research Careers in Psychology," Goucher College, Baltimore, MD.
- Oct, 2009 "The Measurement of Child-Reported Positive Health", International Society for Quality of Life Research Conference, New Orleans, LA.
- Oct, 2009 "Children's Positive Health and Their Academic Achievement: Cross-Sectional Results from Project Healthy Pathways", International Society for Quality of Life Research Conference, New Orleans, LA.
- Mar, 2010 "Examining gender differences in the forms of peer victimization: An application of item response theory", Society for Research on Adolescents, Philadelphia, PA.

- May, 2010 "Health and School Performance: Longitudinal Findings from Project Healthy Pathways", Pediatric Academic Society, Vancouver, BC
- May, 2010 "Healthy Pathways to Student Success: Connections between Child Health and School Performance," Harvard University, Cambridge, MA.
- Oct, 2010 "Development of Children's cognitive capabilities: Implications for Pediatric Self Report Measures", International Society for Quality of Life Research Annual Meeting, London, England.
- Apr, 2011 "Progress in the Development of 10 Pediatric Instruments for Children and Youth," National Institutes of Health, Bethesda, MD
- Jun, 2011 "Development of an improved implementation quality assessment tool", Society for Prevention Research, Washington, DC
- Jun, 2011 "Preliminary results of a violence prevention program conducted in urban after-school settings", Society for Prevention Research, Washington, DC
- Jun, 2011 "Relationship of Special Health Care Need Status on Children's Academic Outcomes", Eastern Shore (Maryland) School Mental Health Consortium, Cambridge, MD
- Nov, 2011 "Understanding the Interrelatedness of Children's Health and Learning," Congress on Mind, Brain, Health, and Education in Children, Tehran, Iran
- Feb, 2012 "Better understanding and measuring implementation quality of interventions", American Psychological Association, Philadelphia, PA.
- Feb, 2012 "Child and Parent Centeredness in Pediatric Health Outcomes Research," Tulane University, New Orleans, LA.
- Feb, 2012 "Understanding the health assets and needs of public school teachers", American Psychological Association, Philadelphia, PA.
- Mar, 2012 "Advances in the measurement of positive adolescent health: The pediatric Patient Reported Outcome Measurement Information System (PROMIS)", Society for Research on Adolescence, Vancouver, BC

- Oct, 2012 "The effects of survey administration modality on the assessment of child reported health", International Society for Quality of Life Research Conference, Budapest, Hungary.
- Oct, 2012 "Top priorities for child HRQOL research identified through an international consensus process", International Society for Quality of Life Research Conference, Budapest, Hungary.
- Oct, 2012 "A life course approach to measurement of global health", International Society for Quality of Life Research Conference, Budapest, Hungary.
- Jul, 2013 "Success and challenges in enhancing patient engagement: Development of methods for identifying child and parent health outcome priorities", AcademyHealth Annual Research Meeting, Baltimore, MD.
- Oct, 2013 "Developing methods to identify child health outcome priorities", International Society for Quality of Life Research, Miami, FL.
- Feb, 2014 "Person-reported measures of pediatric health outcomes: An introduction to PROMIS", American Physical Therapy Association Combined Sections Meeting, Las Vegas, NV.
- Feb, 2014 "PROMIS: NIH's Patient-Reported Outcome Measurement Information System", American Physical Therapy Association Combined Sections Meeting, Las Vegas, NV.
- Aug, 2014 "Integrating patient and family voices in pediatric health outcomes research: The identification of patient and family prioritized outcomes", International Conference on Patient- and Family-Centered Care, Vancouver, BC.
- Sep, 2014 "An update on NIH PROMIS: Advancing PRO Science in Clinical Research and Patient Care," U.S. Food and Drug Administration, Silver Spring, MD.
- Oct, 2014 "An international consensus process to identify priorities in child-reported outcomes research", International Society of Quality of Life Research, Berlin, Germany.
- Dec, 2014 "Patient Centered Outcomes Research," Public Responsibility in Medicine and Research, Baltimore, MD.

- Dec, 2014 "Enhancing the Patient- and Family-Centeredness of Pediatric Health Outcomes Research: The Identification of Child and Caregiver Prioritized Outcomes", National Forum on Quality Improvement in Healthcare, Orlando, FL.
- Mar, 2015 "Establishing a Stakeholder-Informed Pediatric IBD Learning Agenda", ImproveCareNow Community Conference, Chicago, IL.
- Jun, 2015 "Navigating IRB Issues for PCOR: A Framework for Engagement and Protection", AcademyHealth Annual Research Meeting, Minneapolis, MN.
- Jun, 2015 "Patient Centered Outcomes Research: Defining Our Terms", AcademyHealth Annual Research Meeting, Minneapolis, MN.
- May, 2016 "Clinical Validation of PROMIS Instruments Among Childhood Cancer Survivors", St Jude Children's Hospital, Memphis, TN.
- Jul, 2016 "Development of Patient- and Family-Centered Research Training for Multiple Stakeholders", International Conference on Patient- and Family- Centered Care, Vancouver, BC.
- Jul, 2016 "Family Partners in Research: A System for Enabling Authentic Family Engagement in Pediatric Health Research", International Conference on Patient- and Family- Centered Care, Vancouver, BC.
- Aug, 2016 "Advances in Pediatric Patient Reported Outcome (PRO) Assessment", NIH-NSF Workshop for Technology in Pediatric Rehabilitation, Bethesda, MD.

Organizing Roles in Scientific Meetings:

- Oct, 2012 International Society of Quality of Life Research, Co-Chair of Special Interest Group in Child Quality of Life  
Budapest, Hungary
- Oct, 2013 International Society of Quality of Life Research, Co-Chair of Special Interest Group in Child Quality of Life  
Miami Florida
- Oct, 2014 International Society of Quality of Life Research, Conference Planning Committee, member  
Berlin, Germany

Grants:

Pending:

None

Current:

Identifying youth and parent goals and preferences to support shared decision making, CHOP Foerderer Award, 7/2016-6/2017 (Mautone, PI), \$50,000/annual direct costs, 6% effort (Role in grant: Co-Investigator)

YouthBuild: Trainings and Resources for Research Partnerships Involving Adolescents, Patient Centered Outcomes Research Institute, 4/2016-3/2018 (Bevans, PI), \$127,520/annual direct costs, 10% effort (Role in grant: Principal Investigator)

The Child Centered Outcomes in Practice and Research (COPR) Center of Excellence, NIH, 9/2015-9/2019 (Forrest, PI), \$3,086,360/annual direct costs, 15% effort (Role in grant: Co-Investigator)

Communication to Improve Shared Decision-Making in ADHD, Patient Centered Outcomes Research Institute, 9/2015-8/2018 (Guevara, PI), \$300,000/annual direct costs, 10% effort (Role in grant: Co-Investigator)

SHOnet, Shriner's Children's Hospital, 5/2015-4/2018 (Tucker, PI), \$350,000/annual direct costs, 10% effort (Role in grant: Co-Investigator)

Development of the PROMIS Pediatric Sleep Item Banks, Patient Centered Outcomes Research Institute, 11/2014-10/2016 (Forrest, PI), \$150,000/annual direct costs, 10% effort (Role in grant: Co-Investigator)

Past:

PEDSNet: A National Pediatric Learning Health System, Patient Centered Outcomes Research Institute, 10/2015-10/2018 (Forrest, PI), \$2,684,229/annual direct costs, 15% effort (Role in grant: Co-Investigator)

Advancing human subjects protection programs for patient centered outcomes research, Patient Centered Outcomes Research Institute, 9/2015-3/2016 (Bevans, PI), \$35,301/annual direct costs, 15% effort (Role in grant: Principal Investigator)

PEDSNet: A National Pediatric Learning Health System, Patient Centered Outcomes Research Institute, 5/2014-9/2015 (Forrest, PI), \$2,592,794/annual direct costs, 15% effort (Role in grant: Co-Investigator)

Maternal and Child Health Leadership Education in Neurodevelopmental and Other Related Disabilities, HRSA/MCHB, 7/2011-6/2016 (Blum, PI), \$752,539/annual direct costs, 10% effort (Role in grant: Co-Director of Research Training)

Pediatric Quality Measures Program, AHRQ, 3/2011-2/2016 (Silber, PI), \$509,119/annual direct costs, 10% effort (Role in grant: Co-Investigator)

Enhancing the sustainability of a Pediatric Learning Health System, AHRQ, 9/2013-2/2015 (Margolis, PI), \$112,594/annual direct costs, 15% effort (Role in grant: Co-Investigator)

Violence Prevention Initiative, The Children's Hospital of Philadelphia, 8/2013-7/2015 (Fein/Leff, Co-PIs), \$112,594/annual direct costs, 10% effort (Role in grant: Director of Research)

Development of methods for identifying child and parent health outcome priorities, PCORI, 12/2012-11/2014 (Bevans, PI), \$249,613/annual direct costs, 25% effort (Role in grant: Principal Investigator)

Adolescent Wellbeing, Robert Wood Johnson Foundation, 5/2011-4/2013 (Forrest, PI), \$60,000/annual direct costs, 10% effort (Role in grant: Co-Investigator)

Transition readiness of adolescent and young adult survivors of childhood cancer, NIH, 1/2011-12/2012 (Schwartz, PI), \$150,320/annual direct costs, 5% effort (Role in grant: Co-Investigator)

Using CBPR & Qualitative Methods to Evaluate Intervention Integrity, CDC, 9/2009-8/2011 (Leff, PI), \$119,225/annual direct costs, 10% effort (Role in grant: Co-Investigator)

Pediatric PROMIS: Advancing measurement and conceptualization of child health, NIH, 8/2009-9/2014 (Forrest, PI), \$647,447/annual direct costs, 20% effort (Role in grant: Co-Investigator)

School Health Programs: Expanding Measurement and Evaluating Outcomes, CDC, 8/2007-8/2011 (Bevans, PI), \$138,889/annual direct costs, 50% effort (Role in grant: Principal Investigator)

UPACE: The Philadelphia collaborative violence prevention center, CDC, 9/2006-8/2011 (Fein, PI), \$732,047/annual direct costs, 5% effort (Role in grant: Co-Investigator)

Primary care network for advancement of smoking cessation work, PA Dept of Health, 6/2005-5/2009 (Diamond, PI), \$935,235/annual direct costs, 10% effort (Role in grant: Data Analyst)

Health and School Performance Among Youth Ages 9-13, NICHD, 3/2005-2/2011 (Forrest, PI), \$430,662/annual direct costs, 15% effort (Role in grant: Co-Investigator)

Postdoctoral Fellowship Training Program in Child Health Services, National Institute of Mental Health, 9/2004-8/2005 (Leaf, PI), \$745,542/annual direct costs, 100% effort (Role in grant: Fellow)

Program Evaluation of the Baltimore City Alternative Elementary School, Substance Abuse and Mental Health Services Administration - Targeted Capacity Expansion Grant, 9/2004-8/2005 (Leaf, PI), \$75,458/annual direct costs, 25% effort (Role in grant: Program Evaluator)
