- Schedule and conduct intake interviews and needs assessments with referred clients
- Develop and implement individualized treatment/service plans to address client-directed goals, including safety planning, education, accompaniment, linkages to services, etc.
- Monitor client progress, maintain case files, document service delivery and outcomes and prepare reports for grant compliance
- Identify community leaders to participate in *promotora* project and assist in developing *promotora* training and curriculum
- Participate in organizational activities, such as weekly case review meetings, individual supervision, partner meetings, and community events
- Uphold organizational values of confidentiality, collaboration, and client-centeredness

**Preferred Qualifications:**

- Masters in Social Work (MSW) or related field; professional license or license-eligible
- Bilingual in Spanish and English; bicultural preferred
- Knowledge of Latinx culture and community in Philadelphia and PA, including knowledge of issues faced by undocumented community members
- Minimum 1 year experience clinical work with immigrant community members
- Ability and willingness to work some evening and/or weekend hours to accommodate community members’ schedules
- Valid PA Drivers License, proof of auto insurance, and access to car for travel to surrounding counties (with IRS mileage reimbursement)
- Criminal background and child abuse clearance check upon hire and annually

**Compensation:**
- $40-$42K
- Health insurance contribution
- Possibility of clinical supervision hours

This is a grant-funded position with an anticipated end-date of December 2021. Although the grant is expected to end on that date, sometimes additional funding may be obtained to extend employment beyond that date.
