JOIN US FOR OUR 2ND ANNUAL DAY OF CONTINUING EDUCATION AND MEETING WITH YOUR CLINICAL EDUCATION PEERS AND TEMPLE FACULTY

THIS IS A FREE EVENT!

Saturday September 19, 2015

Schedule of Events:

8:00 – 8:30 am  BREAKFAST AND REGISTRATION
STUDENT POSTER SESSION

8:30 – 10:30 am  CHOICE OF ONE BREAKOUT SESSION

SESSION A -  EARLY REHAB FOR ACUTE STROKE: IT’S MORE THAN TRANSFERS AND GAIT
INSTRUCTOR: REBECCA VERNON, PT, DPT, NCS  (2 CONTACT HOURS)
This course will review the literature pertaining to physical therapy management of multi-system impairments associated with stroke. Case examples will be utilized to highlight clinical reasoning with medically complex clients and to foster discussion regarding current practice trends.

SESSION B -  BPPV MANAGEMENT: BEYOND THE BASICS
INSTRUCTOR: DR. ANNE GALGON  (2 CONTACT HOURS)
This course will cover typical and atypical management of patient’s with Benign Paroxysmal Positional Vertigo (BPPV). This course will involve lecture and discussion, case examples, and has a laboratory component. Participants will have the opportunity to practice hands on skills in a small group setting.

10:30 – 11:00 am  BREAK AND STUDENT POSTER SESSION

11:00 am – 1:00 pm  LARGE GROUP SESSION

AN OVERVIEW OF BIOMEDICAL ETHICS & JURISPRUDENCE
INSTRUCTOR: DR. MARY SINFORD
(2 CONTACT HOURS ACCEPTED FOR PA LICENSE REQUIREMENT)
This course will involve both lecture and case studies. This course is open only to licensed physical therapists and physical therapist assistants. This course will cover ethical principles and theories as well as ethical decision making in relation to clinical practice. In addition, the course will address basic jurisprudence as related to Pennsylvania’s State Practice Act and rules and regulations.
