Tuesday, December 1, 2015
10:00 am – 11:00 am
Ritter Annex, Room 941, 9th Floor

Open to all Faculty, Staff and Students.

“Advances in and Applications of Causal Mediation Analysis Methods”

Dr. Donna Coffman is Research Associate Professor in the College of Health and Human Development and Senior Research Associate at The Methodology Center at Pennsylvania State University. She currently has a Big Data to Knowledge early career award from the National Institutes of Health to develop and apply data analytic methods to the study of health behavior change using mobile devices.
