PEI Kids: Clinical Director, Crisis Intervention Program

Position reports to: Executive Director

PEI Kids’, a 501 (c) 3, has long addressed many of today’s most pressing public health issues affecting children – including sexual abuse, gang behavior, peer bullying and child assault. PEI Kids is Mercer County’s premier organization focused on issues related to violence and children. We are a multi-disciplinary organization that serves children and their families in the Mercer County area.

PEI Kids is hiring a Clinical Director to lead and manage the Crisis Intervention program for children who have been sexually abused. This trauma-informed child-focused, family centered program is the only one of its kind in the region. Over 95% of the children reported to be sexually abused in the County receive services at PEI Kids. Our Crisis Intervention Program provides trauma-focused behavioral therapy to children ages 3 – 18 years and therapeutic support to their care giving family members. The Clinical Director of the Crisis Intervention program oversees and administers the department and provides direct service to child clients and their families. This is an exciting and challenging program for an experienced counselor/MSW.

Primary responsibilities include:

1. Clinical supervision to part-time counselors and interns in the department, including the hiring of part-time counseling staff.
2. Provide trauma-focused Cognitive Behavioral Therapy for children ages 3 – 18 years.
3. Serve as a senior member of the organization management team and participate in the development of clinical and other programs.
4. Ensure Quality Assurance of all clinical services provided in the Crisis Intervention Department.

Qualification Requirements

- Master’s degree or PhD in Psychology, Social Work, or related field and must be licensed in New Jersey.
- Have a minimum of 5 years of experience providing counseling to children who have experienced trauma and 3-years of supervision experience.
- Experience in trauma-focused interventions and modalities, including trauma focused CBT with children.
- Familiarity with child welfare and legal systems in New Jersey a plus.
- Oral and written Spanish language fluency a plus.

Salary/Benefits

Competitive salary/benefits and determination based on experience.
