### 5. Completed Research Projects

*Principal Investigator (joint)*. Evaluation (quasi-experimental design) of the Aging Mastery Program for Senior Centers. National Council on Aging & NYS Health Foundation (\$85,000). 2015-2017.

*Principal Investigator (joint)*. Statewide Implementation of evidence-based health promotion programs and piloting of Medicaid reimbursement under the Balancing Incentives Program. NYS Office for the Aging and CMS (\$5,000,000). 2015-17

*Principal Investigator (joint)*. Translating the Chronic Disease Self-management Program for Community-Dwelling Adults with Developmental Disabilities. University at Albany Presidential Initiatives Fund for Research & Scholarship. (\$33,248). 2015-16.

*Principal Investigator (joint)*. Reducing the impact of diabetes among persons with existing disabilities. NYS Department of Health and CMS (\$701,000). 2014-2016

*Principal Investigator (joint)*. Building Services and Supports to reduce the impact of diabetes in the South Bronx. NYSDOH and CMS (\$348,000). 2014-2016.

*Principal Investigator*: Evidence based health promotion in New York State. Joint project - NYS Office for the Aging & Dept. of Health. Funded by the Administration on Aging and New York State (\$2,500,000). 2006-2012

*Co-Principal Investigator*: Increasing Consumer Directed Capacity for Nursing Home Diversion in New York (Community Living Program & Nursing Home Diversion Modernization Program). Joint project with the New York State Office for the Aging. Funded by the Administration on Aging and New York State (\$2,300,000). 2008-2012.

*Principal Investigator*: A Technological Support to Person-Centered Care: IN2L. Retirement Research Foundation & York Associates. (\$185,000) 2009-2011.

*Co-Principal Investigator*: Evaluation of the Programme to Support Palliative and Hospice Care in the Republic of Ireland. Atlantic Philanthropies. (\$300,000). 2010-2011

*Co-Principal Investigator*. The Post-Caring Experience: An Assessment of the Needs of former Family Carers. Irish Research Council for Humanities and Social Sciences & Care Alliance. (\$60,000) 2009-2010

*Co-Principal Investigator*. Vitamin E Multi-Site Trial for Persons with Down syndrome – Albany site. Funded by National Institute on Aging (\$151,000). 2004-2009.

*Principal Investigator*: St Lawrence County Cares Chronic Illness Medicaid Management Demonstration. Funded by New York State Department of Health (\$470,000). 2006-09.

## Scholarly Activity (Continued)

### Completed Research Projects

*Principal Investigator:* Cost Effective Delivery of an Active Choices Health Promotion Program. Funded by New York Health Foundation (\$138,000). 2008-2009.

*Evaluator,* Geriatrics & Developmental Disabilities Nurse Training Program. HRSA (\$539,732). 2006-2009.

*Principal Investigator:* Point of Entry and Persons with Alzheimer's disease and other dementias in rural areas: A systems change project. Joint project with the New York State Office for the Aging. Administration on Aging and New York State (\$1,000,000). 2005-2008.

*Principal Investigator:* Child Welfare, Drug Abuse & Intergenerational Risk. A social work research development program - National Institute on Drug Abuse. (\$2,500,000). 2003-2008.

*Principal Investigator:* Real Choice Systems Change: Long Term Home Health Care Program (LTHHCP) QA/QI Project. NYS Dept. of Health (\$200,000). 2006-2007.

*Co-Principal Investigator.* Cost effectiveness and Quality of Life in Service Delivery for Persons with the dual disability of Down syndrome (DS) and Alzheimer's Dementia (AD). Health Research Board, Ireland (\$180,000). 2004-2008.

*Co-Principal Investigator.* End of life care for persons with intellectual disabilities and dementia. Health Research Board, Ireland & Irish Hospice Foundation (\$150,000). 2005-2008.

*Co-Principal Investigator:* Preparing agencies/families for adults affected by dementia. A research development project to establish best practices for the care of persons with developmental disabilities who develop dementia. Funded by the Rehabilitation Research and Training Center on Aging and Developmental Disabilities - University of Illinois at Chicago (\$228,000). 1998-2007

*Co-Principal Investigator.* Stigma and Alzheimer's disease. Alzheimer's Society of Ireland (\$30,000). 2006.

*Principal Investigator:* Dementia Grants Program Evaluation. NYS Dept of Health (\$465,000). 2003-2006

*Co-Principal Investigator.* Disease Management Program Evaluation. New York Arthritis Foundation. (\$20,000). 2004-2005.

*Principal Investigator:* Coordinated Care Alzheimer Demonstration Project. Developing and assessing the effectiveness of programs for persons with intellectual disabilities and dementia living in the community. Administration on Aging and New York State (\$1,200,000). 2002-2005.

*Principal Investigator:* Promoting Positive Behaviors (PPB): A Team Approach. Controlled evaluation of the effectiveness of a team based intervention addressing problem behaviors among nursing home residents with dementia. NYS Dept of Health (\$236,000). 2000-2002.

## Scholarly Activity (Continued)

### Completed Research Projects

*Principal Investigator:* An evaluation of the FDCE program for spouse caregivers of persons with dementia. A controlled evaluation of the effectiveness of a psychoeducational program to assist spouses in addressing problem behaviors among community dwelling persons with dementia. John A. Hartford Foundation (\$100,000). 1999-2002.

*Co-Principal Investigator:* Health education in an HMO: Efficiency and effectiveness. Examined the impact of health education groups on persons with chronic illnesses and their spousal caregivers. Agency on Health Care Policy and Research (\$1,200,000). 1997-2001.

*Principal Investigator:* Reiki as an alternative therapeutic intervention for nursing home residents experiencing dementia. NYS Dept of Health (\$150,000). 1999-2000.

*Principal Investigator:* Grandparents caring for children with mental retardation and developmental disabilities: Building community supports. Joseph P. Kennedy Jr. Foundation, & NYS Office of Mental Retardation and Developmental Disabilities (\$272,000). 1997-1999.

*Principal Investigator:* Keeping in Touch: Attentive touch for nursing home residents with dementia. NYS Dept of Health (\$150,000). 1997-1999.

*Co-Principal Investigator:* Use of health and social services by dementia caregivers and care recipients. Alzheimer's Association (\$435,000). 1996-1999.

*Principal Investigator:* Effectiveness of a certified nursing assistant communication skills program. NYS Dept of Health (\$248,000). 1996-1998.

*Co-Principal Investigator:* Effectiveness of a family visit education program for improving the adjustment of nursing home residents with dementia. NYS Dept of Health (\$247,000). 1994-96.

*Co-Principal Investigator:* Evaluation of the short-term and long-term effectiveness of validation therapy in the management of nursing home residents' problem behaviors. NYS Dept of Health (\$245,000). 1993-1994.

### 6. Research Projects in Progress

*Principal Investigator (Joint).* Risk, Experiences, and Responses to COVID-19 for At-Risk Groups. 2022 Catalytic Collaborative Research Initiative Program Award. Temple University. (\$195,000). 2022-2023

*Co-Investigator/Co-Applicant.* EQUIP: Examining Quality, Use and Impact of Psychotropic (Use) in older adults with intellectual disabilities. HRB Secondary Data Analysis Projects (SDAP) (\$300,000). 2021-2023.

*Principal Investigator.* COVID-19 and People with IDD. Pennsylvania Developmental Disabilities Council (\$50,000). 2020-2022.

*Co-Investigator/Co-Applicant.* Including best practices and the voices of experience in developing post-diagnostic dementia support guidelines for people with intellectual disabilities. HRCI-HRB Joint Funding Scheme (\$200,000). 2020-23.

*Co-Investigator.* Care of older adults with intellectual disability (ID) and complex age-related conditions. National Disability Authority (\$150,000). 2020-2022.

## Scholarly Activity (Continued)

### Research Projects in Progress

*Co- Principal Investigator/Co-applicant/Co-Founder.* An Intellectual Disability Supplement to The Irish Longitudinal Study of Aging (IDS-TILDA). Health Research Board; Irish Department of Health; Centre for Ageing Research & Development in Ireland; Irish Research Council (\$5,300,000). 2008-2024.

### 7. Completed Demonstration, Education and Training Projects

*Co-Director.* Quality & Technical Assistance Center, Falls Prevention Project. Funded by Prevention & Public Health Fund/Administration on Community Living/New York State Dept. of Health (\$140,000). 2015-2017.

#### Completed Demonstration, Education and Training Projects

*Co-Director,* Quality & Technical Assistance Center, Statewide support of delivery of evidence-based arthritis, diabetes prevention, and chronic disease and disability self-management programs. Funded by CDC and NYS Department of Health (\$1.8 million). 2012-2017.

*Co-Director.* Community Clinical Linkage Physician Portal to Support Heart Disease and Stroke and Diabetes Prevention Efforts. Funded by CDC and NYC Department of Health and Mental Hygiene (\$200,000). 2014-2016.

*Co-Director.* Replicating the National Diabetes Prevention Program among Primary Care Providers. Funded by New York State Health Foundation (\$85,000). 2014-2016.

*Co-Director,* Building “Community and Social Service” workforce responding to changes in Long Term Services and Supports. SUNY Central Workforce Development High Needs Grant. (\$67,537). 2015-16.

*Co-Director.* Mechanisms for community based organizations providing health promotion and self-management programs to participate in reimbursement under Oregon’s public employee health plans (\$165,000). 2015-2017.

*Co-Director,* Quality & Technical Assistance Center, Chronic Disease Self-Management Education Project. Funded by Prevention & Public Health Fund/Administration on Community Living/New York State Office for the Aging (\$1.5 million). 2016-2019.

*Co-Director,* Quality & Technical Assistance Center, Chronic Disease Self-Management Education Project. Funded by Prevention & Public Health Fund/Administration on Community Living/New York State Office for the Aging (\$1.5 million). 2012-2016.

*Principal Investigator* Accelerating Integrated, Evidence-Based, and Sustainable Service Systems for Older Adults, Individuals with Disabilities and Family Caregivers” and “Creating Dementia Capable, Sustainable Service Systems for Persons with Dementia and Their Family Caregivers. Funded by the U.S. Administration on Community Living & NYSOFA (\$3.3 million). 2011-2015.

*Co-Director,* Healthy Hearts on the Hill Program. Funded by Bronx Health/CDC (\$42,000); NYS Department of Health (\$420,000). 2009-2014.

## Scholarly Activity (Continued)

### Completed Demonstration, Education and Training Projects

*Administrator. Civic Engagement Initiatives – Volunteerism and Life Long Learning.* Corporation for National & Community Service (\$1,100,000); OASIS (\$200,000) and National Council on Aging/The Atlantic Philanthropies (\$85,000). 2003-2013.

*Evaluator, Aging & Disability Resource Center Enhancement Grant & Care Transitions Plus.* U.S. Administration on Aging (\$650,000). 2009 – 2012.

*Co-Director, Consumer directed Personal Assistance Expansion.* NYSDoH (\$499,250). 2010-12

*Director, Senior Financial Literacy Program.* Citizen's Bank Foundation (\$115,000). Berkshire Bank Foundation (\$25,000) NYS Legislature (50,000) 2006-2011.

*Director, Palliative Care and Intellectual Disabilities Project.* Funded by the NYS Developmental Disabilities Planning Council & NYSARC (\$75,000). 2004-2009.

*Director: Adult Protective Services Technology Project.* Development of cd-rom and web-based training materials. NYS OCFS (\$750,000). 2003-2008.

*Principal Investigator: Elder Network of the Capital Region.* Funded by the John A. Hartford Foundation (\$478,000), NYS Office for the Aging (\$250,000), Research Foundation of SUNY (\$250,000), NYS Legislature & Governor's Office (\$800,100). 2001-2008.

*Co-Director: Teaching Nursing Home Planning Project.* HRSA (\$100,000). 2004-2006.

*Co-Director. Sexuality Curriculum Project.* Florida DDPC (\$100,000). 2004-2006

*Co-Principal Investigator: Enhancing State and Local Development of Supports for Caregivers of Persons with Developmental Disabilities.* Funded by AoA (\$600,000). 2001-2004.

*Director: Dementia and Intellectual Disabilities Project.* Development of videotape, cd-rom and webpage training materials on dementia and intellectual disabilities. Funded by the NYS Developmental Disabilities Planning Council (\$55,000). 2000-2002.

*Director: Certificate in Gerontology Pilot.* Novartis Gerontology Foundation. (\$25,000) 2001-02 1

*Co-Director: America-Ireland direct care initiative.* A joint project of University at Albany, City University of New York, University College Dublin, and Ulster University. Funded by America-Ireland Fund and Reaching Up Inc. (\$40,000). 1999-2001.

*Co-Director: The Albany geriatric social work practicum specialization planning initiative.* Funded by the John A. Hartford Foundation. (\$50,000). 1999-2000.

### 8. *Demonstration, Education and Training Projects in Progress*

*Co-PI, Addressing COVID-19 health disparities for people with disabilities.* PA Department of Health, CDC and Institute on Disability (\$1.4 million subaward). 2021-2023.

## Scholarly Activity (Continued)

### Demonstration, Education and Training Projects in Progress

*Co-Director*, Quality & Technical Assistance Center for evidence-based programming. Funded by New York State Office for the Aging (\$146,700). 2021-2023.

*Director*. Online BSW Program and Virtual Teaching Lab. Provost's Innovation Fund. Temple University (\$172,500). 2020-2022

*Co-Director*. Multi-level intervention to transform senior centers in New York City into leaders in evidence-based programming. Funded by New York City Department for the Aging & Older Americans Act (\$1.7million) 2015-2019; (\$1 million) 2019-2023.

*Co-Director*, Building Capacity for Fall Prevention: ACL Falls Prevention Grant. Funded by New York City Department for the Aging/ Administration on Community Living. (\$93,000). 2019-2022.

### 9. Research & Evaluation Consultancies

Consultant – DIGI-ID - an accessible digital skills education programme for people with ID. EIT Health and Trinity College Dublin (2021-2023)

Consultant – Personalized budgets evaluation. National Disability Authority – Ireland (2021-2022).

Consultant – Complex Care Cost Project. National Disability Authority – Ireland (2021-2022).

Consultant - Staff mental health during provision of care to people with intellectual disability during the COVID-19 pandemic. Trinity College Dublin COVID-19 Funding Call (2020).

Consultant - Questions of Inclusion: What inclusion means for adults with an intellectual disability in Ireland. Irish Research Council (2020-2021).

Consultant - Exploring loneliness, social isolation and care burden in care partners and families of people with dementia: A COVID-19 response. Trinity College Dublin COVID-19 Funding Call. (2020).

Consultant - Dormant Accounts Fund Initiative: Way2B wayfinding for people with intellectual disabilities. Stewarts Service and Health Services Executive Ireland. (2019-2021)

Consultant -SOOTHE – First Response to Mental Health Concerns in Mid and Older Aged People with Intellectual Disability. EIT Health and Trinity College Dublin (2019-2021)

Consultant - Dormant Accounts Fund Initiative: Irish National Memory Clinic for People with Down syndrome and Dementia. (2018-2021).

Consultant, Research study on lived experience of service users currently or previously residing within congregated settings. Irish Health Services Executive (2020-2022)

Consultant, First Response to Mental Health Concerns in Mid and Older Aged People with Intellectual Disability. European Institute of Innovation and Technology (EIT) – Health (2020-2022)

Consultant – Social isolation in older adults. Friends Life Care Partners (2018-2020).

## Scholarly Activity (Continued)

### Research & Evaluation Consultancies (Cont).

- Consultant - Expert group on gender and the premature deaths of people with intellectual disabilities. Public Health England (2019).
- Consultant - Special Olympics International Health Indicators Project (2018).
- Consultant - Indicators of Positive Ageing for People with an Intellectual Disability. Dept. of Health, Ireland. (2018-2020)
- Consultant - Residents of St Josephs in St Ita's Portrane moving to community settings. Understanding the changes in their lives – Health Services Executive Ireland. (2017-2018).
- Consultant – P-Pals: People with Intellectual Disability as Physical Activity Leaders – EIT-Health (2018-20)
- Consultant – Public Patient Involvement Network -Trinity College Dublin – Irish Health Research Board (2017-2023).
- Consultant – Knowledge Transfer Exchange: Identifying and addressing the palliative care needs of people with intellectual disability – AIIPHC (2017).
- Consultant – Systematic review of quality of life outcomes and cost changes associated with providing support to people with intellectual disability who move from congregated settings to community living arrangements – Irish Health Research Board (2016-2018).
- Consultant - ProACT: Development of proactive integrated care technology ecosystems to support multimorbidity disease management (including detection of early onset cognitive decline/dementia) in an ageing population. European Commission- Horizon 2020. 2016-2019.
- Consultant – Wayfinding: pilot of a smart watch navigation application for people with intellectual disability/mild cognitive impairment. TCD Dean's Innovation Fund (2016-2017).
- Consultant – AssistID Technology and Intellectual Disabilities Fellowships Marie Curie - EU
- Consultant – Technology to scale a Phone-based Diabetes Prevention Program. InquisitHealth and Small Business Innovation Research – NIH. (2016-2018).
- National Consultant on Intellectual Disabilities and Dementia, National Alzheimer's and Dementia Resource Center (RTI/ACL, 2014-21)
- Consultant - Telehealth/Dementia and Intellectual Disability Demonstration Project. Orange Grove Community and Special Hope Foundation (2015-2016).
- Consultant - Understanding the contributors to better integration and community participation by persons with severe and profound intellectual disability. Irish Research Council (2015-16)
- Consultant – Peer to Peer mentoring platform for diabetes training and support. InquisitHealth and Small Business Innovation Research – NIH. (2014-2016).
- Consultant – Shaping the Future of Intellectual Disability Nursing in Ireland. Health Services Executive Ireland/Trinity College Dublin. (2013-2016)
- Consultant - Improving Health and Quality of Life among New Yorkers with Disabilities through Health Promotion, Access to Care and Preparedness. NYSDoH Disability & Health Program and CDC (2012-2015).

## Scholarly Activity (Continued)

### Research & Evaluation Consultancies (Cont).

- Consultant - Fidelity Management and Continuous Quality Improvement for CDSMP – State of Maryland Department of Aging (2011; 2012-2013).
- Consultant - Best and most cost effective day service models to support the transition of adults with intellectual disabilities (ID) into old age. Ulster University & Northern Ireland Research & Development Office, (2012-2015).
- Consultant – Structured Research Network on Hospice and Palliative Care: Determinants of access and lack of access to palliative care for persons with intellectual disability and terminal illness. All-Ireland Institute on Hospice & Palliative Care & Health Research Board. (2012 – 2015).
- Consultant – Business Planning for CDSMP – NJ Dept of Health and Senior Services (2012).
- Consultant – A collaborative initiative to implement person-centred practice in residential care settings for children and adults with an Intellectual Disability. Stewarts Care Ltd & Trinity College Dublin. (2011-2012)
- Consultant - Planning for the future: an exploration of the needs of older family caregivers of older people with learning disabilities living at home. Ulster University & Dunhill Medical Trust (2010-2012).
- Consultant – Evidence-based arthritis programming. National Association of Chronic Disease Directors. (2009-2012).
- Consultant – Evidence based dementia programming. U.S. Administration on Aging (2008-2009).
- Consultant – Consumer & Employee Empowerment Project NYS Office of Mental Retardation and Developmental Disabilities. (2008-2009).
- Consultant – “Expanding substance abuse services to the HIV/AIDS at risk population in STD Clinics in New York City.” SAMHSA (2007-2012).
- Consultant- A library-based health literacy program. Crandell Library, Glens Falls, NY & Langeloth Foundation (2002-2003).
- Consultant -Building a Rural Convalescent Care Program. Hudson Headwaters Health Network & Langeloth Foundation (2000-2002).
- Consultant - Chronic Care Networks for Alzheimer’s disease Project--National Chronic Care Consortium – Capital Region Demonstration (1997-2002).
- Consultant--Bureau Aging and Special Pops, New York State OMRDD (1993- 99).
- Consultant--Multi-cultural Professional Development Institute, New York State Office of Mental Retardation and Developmental Disabilities (1994-1998).
- Consultant – Broome Behavioral Health Partnership & Hoyt Foundation (1997-99).
- Consultant--Older Driver Project, New York State Office for the Aging (1997-1999).
- Consultant--New York State Head Injury Association (1994-1995).
- Consultant: Caregiver Assistance Project--Aging and Developmental Disabilities. Demonstration and evaluation project to support older parents continuing to care for sons and daughters with developmental disabilities. U.S. Administration on Aging & USARC. (1993-1995).

### 11. Grants Reviewer

Research Council of Norway – Health and Health Services Section (2022).  
Research Foundation Flanders (2021).  
Health Research Board – Ireland, Health and Health Services Section (2021).  
Netherlands Organisation for Health, Research and Development (ZonMw) (2021)  
Dutch Research Council (2020-2021)  
Social Sciences and Humanities Research Council of Canada (2015-16)  
Dean of Faculty of Health Science’s Research Initiative Fund. Trinity College  
Dublin (2015-18)  
Assist-ID EU Marie Curie Postdoctoral Fellowships (2014-16)  
NIH/NIMHD RO1 Reviewer (2014)  
Medical Research Council – UK (2014)  
NIH/NIDA R13 Reviewer (2012)  
Genio Trust, Ireland - Dementia & Person-Centred Planning Demonstrations (2011 -  
2017)  
John A Hartford Foundation Social Work Faculty Scholars Program (2007-2012)  
Social Work Innovation Initiative – University of Texas, Arlington (2010-2011)  
U.S. Administration on Community Living Alzheimer's disease Supportive Services  
Program (2007-2022). Respite Grants Program (2020-2021). NIDLLR (2021)  
NYS Department of Health Dementia Grants Program (2004-2007).  
Alzheimer’s Association Grants Program (2003-2015).

### 12. Presentations

#### *Keynote/Plenary Addresses:*

McCallion, P. (2020). Responding to Chronic Illness. Let Us Dream – Empowering  
Communities Conference, Bengaluru, India.  
McCallion, P. (2018). Quality Delivery Means Better Outcomes. Pennsylvania  
Health & Wellness Conference, State College PA.  
McCallion, P. (2016). Substance use disorders and the Aging: Demographics and  
cross system implications. Substance Use among the Aging Population  
Conference. Eastchester, NY  
McCarron, M. & McCallion, P. (2015). Physical activity and unlocking the  
determinants of successful aging: The Intellectual Disability Supplement to the  
Irish Longitudinal Study on Ageing. Special Olympics International, American  
Academy of Developmental Medicine & Dentistry and International Association  
for the Scientific Study of Intellectual and Developmental Disabilities Joint  
International Conference, Los Angeles, CA.  
McCallion, P. (2013). Reducing & Managing Staff Turnover in Intellectual  
Disability and Aging Services. First Welfare Foundation Conference on Elderly  
People with ID. Taipei, Taiwan.  
McCallion, P. (2013). Better health, better care and lower cost: Realigning resources  
to support successful aging in the community. Aging with Dignity: Aging,  
Intellectual Disabilities, Ethics and Care Conference. Chaiyi, Taiwan.

## Scholarly Activity (Continued)
