

Student Outcome Measures

Program Completion Rate: Students who enter the MA program in Speech Language Hearing Science with an Undergraduate degree in Communication Sciences & Disorders should complete the degree within 2 years across 6 semesters (Fall-Spring- Summer). Students who are admitted to the MA- SLH program with baccalaureate degrees in other areas must spend 1 year (Fall- Spring) taking Undergraduate pre-requisite courses and then typically complete graduate coursework over the usual 2 years, 6 semesters (Summer-Fall- Spring or the following Fall-Spring-Summer at their choosing) requiring 8 semesters. The following table contains data concerning students who complete the degree program within the specified time frame of the program.

Year of Graduation	Number in program	Number completing program within specified time frame	Percentage completing Program within specified time frame
2015-16	30	28***	92%
2014-15	20	19**	95%
2013-14	30	28*	92%

*** One student elected part-time status for a semester and additionally required an extra semester to pass comprehensive exam; One additional student elected to take part-time status for one semester, increasing program duration by one semester.

** 1 student elected part time status following maternity leave.

* 1 student needed extra semester to pass the comprehensive exam; 1 additional student elected part time status for 2 semesters increasing program time by that amount.

Praxis Test Passing Rate : Graduates of the MA SLH program must pass the Praxis examination in Speech Language Pathology from the Education Testing Service (ETS) as a requirement for the Certificate of Clinical Competence in Speech Language Pathology (CCC-SLP) granted by the Council on Academic Accreditation(CAA) of the American Speech Language Hearing Association (ASHA), as well as the Instructional I Certificate in Speech & Language Impaired K-12 by the Pennsylvania Department of Education (PDE). The following table summarizes the results from tests taken in the specified time frames as reported on the Institutional Annual Report from the ETS.

Annual History Report from ETS	Number of Test Takers on report	Number of Test Takers passing the examination	Percentage of Test takers passing the examination
2015-16	29	29	100%
2014-15	14	14	100%
2013-14	23	23	100%

1-yr. Pass Rate: IHE DI
