---

## PROFESSIONAL SUMMARY

---

### Registered Nurse

- Highly skilled career professional with more than 30 years of clinical experience in neonatal intensive care environments
- Charge nurse for a Level 3 neonatal intensive care unit, requiring inter-professional collaboration, excellent care delivery for optimum patient outcomes, liaison for staff and family members in crisis, and attending emergency, complicated, and caesarean section deliveries.
- Orient staff to new techniques and procedures to improve quality of care to our tiny population, precept students and new hires, and mentor novice nurses
- Proposed an evidence-based practice model, Neonatal Early Warning System (NEWS), in NICU and Pediatrics

---
