

## CURRICULUM VITAE

**Brandie DePaoli Taylor, Ph.D., M.P.H.**  
Department of Epidemiology & Biostatistics  
Temple University, College of Public Health  
1301 Cecil B. Moore Ave., Ritter Annex room 915  
Philadelphia, PA 19122

**Email:** b.depaoli-taylor@temple.edu  
**Phone:** 215-204-2055  
**Web:** <https://cph.temple.edu/epibio/faculty/brandie-depaoli-taylor>

### Professional Positions

2019-Current	Graduate Program Director Temple University, College of Public Health, Department of Epidemiology and Biostatistics, Philadelphia, PA
2018-Current	Associate Professor Temple University, College of Public Health, Department of Epidemiology and Biostatistics, Philadelphia, PA
2014-2018	Assistant Professor Texas A&M University, School of Public Health, Department of Epidemiology and Biostatistics, College Station, Texas
2014-2018	Director Program in Reproductive and Child Health, School of Public Health, Texas A&M University, School of Public Health
2012 -2014	Postdoctoral Associate University of Pittsburgh, Department of Epidemiology, Pittsburgh, PA
2011-2012	T32 Postdoctoral Fellow, National Research Service Award (NRSA) Institutional Training Grant Michigan State University, Department of Epidemiology, East Lansing, MI
2009-2011	T32 Predoctoral Fellow, National Research Service Award (NRSA) Institutional Training Grant University of Pittsburgh, Department of Epidemiology, Pittsburgh, PA
2008-2009	Graduate Student Researcher University of Pittsburgh, Department of Epidemiology, Pittsburgh, PA

### Education

2011	Ph.D. University of Pittsburgh Graduate School of Public Health	Epidemiology
2007	M.P.H. University of Pittsburgh Graduate School of Public Health	Epidemiology
2006	B.S. California University of Pennsylvania Eberly College of Science and Technology	Biology
2006	Community wildlife management studies and field research in Kimana, Kenya, East Africa School for Field Studies; Accredited through Boston University	

### Peer Reviewed Publications

\*Student Author

1. Menon R and **Taylor BD**. Accumulation of inflammatory mediators in amniotic fluid and cord blood may indicate fetal signaling of human parturition. *Obstetrics and Gynecology*. **In press**
2. \*Abiodun-Ojo, Guerra F, **Taylor BD**. Identification of Mycoplasma genitalium among Mexican women using the Seeplex STD6 ACE Detection kit: Are results accurate? *International Journal of STD & AIDS*. **In Press**
3. \*Hill AV., Nehme E., Puga Ed., Elerian N., **Taylor BD.**, Lakey D., and Patel D. Immediate Postpartum Long-Acting Reversible Contraception Programs in Texas Hospitals Following Changes to Medicaid Reimbursement Policy. *Maternal and Child Health Journal*. **In Press**
4. \*Hill AV, De Genna NM, Perez-Patron MP, Gilreath TD, Tekwe C, **Taylor BD**. Identifying syndemics for sexually transmitted infections among young adults in the United States. *Journal of Adolescent Health*, 2019 Mar;64(3):319-326. doi: 10.1016/j.jadohealth.2018.09.006. PMID: 30447953
5. Zhang X, Xu X, Zhong Y, Power MC, **Taylor BD**, Carrillo G. Serum folate levels and urinary arsenic methylation profiles in the US population: NHANES, 2003–2012 *Journal of Exposure Science and Environmental Epidemiology*. 2019 Apr;29(3):323-334. doi: 10.1038/s41370-018-0021-5. PMID: 29483566
6. Zheng X, O'Connell CM, Zhong W, Poston TB, Wiesenfeld HC, Hillier SL, Trent M, Gaydos C, Tseng G, **Taylor BD**, Darville T. Gene Expression Signatures Can Aid Diagnosis of Sexually Transmitted Infection-Induced Endometritis in Women. *Frontiers in Cellular and Infection Microbiology*. 2018 Sep 20;8:307. doi: 10.3389/fcimb.2018.00307. eCollection 2018. PMID: 30294592
7. Hadley EE, Sheller-Miller S, Salomon C, Saade GR, Mesiano S, Taylor RN, **Taylor BD**, Menon R. Amnion Epithelial Cell Derived Exosomes Induce Inflammatory Changes in Uterine Cells. *American Journal of Obstetrics and Gynecology*, 2018 Nov;219(5):478.e1-478.e21. doi: 10.1016/j.ajog.2018.08.021. Epub 2018 Aug 21. PMID: 30138617. Figure selected for the journal cover.
8. **Taylor BD**, Haggerty CL, Ness RB, Hougaard DM, Skogstrand K, Roberts JM, Olsen J. Fetal sexual dimorphism in systemic soluble fms-like tyrosine kinase 1 (sFLT) among normotensive and preeclamptic women. *American Journal of Reproductive Immunology*, 2018 Nov;80(5):e13034. doi: 10.1111/aji.13034. Epub 2018 Aug 14. PMID: 30106204
9. Ayad MT, **Taylor BD**, Menon R. Regulation of p38 Mitogen Activated Kinase Mediated Fetal Membrane Senescence by Statins. *American Journal of Reproductive Immunology*. 2018 Oct;80(4):e12999. doi: 10.1111/aji.12999. PMID: 29911323
10. \*Nickodem C, Criscitiello M, Bazer F, \*Abiodun-Ojo A, **Taylor BD**. Pilot investigation of vaginal expression of novel interferon epsilon across pregnancy. *American Journal of Reproductive Immunology*. *American Journal of Reproductive Immunology*. 2018 Sep;80(3):e12995. doi: 10.1111/aji.12995. PMID: 2990534

### Presented/Submitted Abstracts

\* Student Author; \*\*Equally contributing authors

1. \*Hill AV, Gilreath TD, De Genna NM, Perez-Patron M, Tekwe CD & **Taylor BD**. Examining Statistical Methods for Determining Syndemics for Sexually Transmitted Infection Risk. **Oral presentation** at the American Public Health Association annual meeting: 2019 Nov 2-6, Philadelphia, PA.
2. **Taylor BD**, Zhang Q, Schisterman EF. Examination of fetal sexual dimorphism in immune mediating biomarkers in preeclamptic and normotensive women. **Presented** at the 2019 Society for Pediatric & Perinatal Epidemiologic Research Meetings, Minneapolis, MN.
3. \*Abiodun-Ojo, Menon R, **Taylor BD**. Examination of fetal sexual dimorphism in immune mediating biomarkers in preeclamptic and normotensive women. **Presented** at the 2019 Society for Pediatric & Perinatal Epidemiologic Research Meetings, Minneapolis, MN.
4. \*Nickodem C, Menon R, McDonald T, **Taylor BD**. Exploring circulating short-chain fatty acids in preterm birth: A pilot case-control study. **Presented** at the 2019 Society for Pediatric & Perinatal Epidemiologic Research Meetings, Minneapolis, MN.
5. \*Hill AV, Gilreath T, Perez-Patron M, **Taylor BD**. Syndemic patterns of risk for sexually transmitted infections. **Presented** to the STI & HIV 2019 World Congress (Joint Meeting of the 23rd ISSTD and 20th IUSTI), Vancouver, Canada.
6. \*Odenkirk M, \*\*Burnum-Johnson KE, \*\***Taylor BD**, Stratton KG, Gritsenko MA, Bramer L, Zheng X, Kyle JE, Bloodsworth K, Weitz K, Webb-Robertson B, \*\*Baker ES. Elucidating multi-omic molecular signatures of end-term preeclampsia and gestational diabetes mellitus. **Oral presentation** at MSACL Annual Congress. March 31 - April 4, 2019
7. Perez-Patron MJ, Cabrera-Conner L, Roque M, Yamba L, **Taylor BD**, Carrillo G. Evaluating the educational needs of Hispanic women at risk for gestational diabetes in communities in the Texas-Mexico border. **Presented** at the Associations Maternal & Child Health Programs Annual Conference, March 2019 San Antonio, TX.
8. Bolzlak C, Beck-Sague C, Davis R, de Long R, Perez-Patron MJ, **Taylor BD**, Tissue MM, Turchi R, West B. Developing a maternal and child health training program: Lessons learned from five school of public health. **Presented** at the Associations Maternal & Child Health Programs Annual Conference, March 2019 San Antonio, TX.
9. \*Hill AV, De Genna NM, Perez-Patron MP, Gilreath TD, Tekwe C, **Taylor BD**. Identifying syndemics for sexually transmitted infections among young adults in the United States: A latent class analysis. **Presented** at the 2018 APHA annual meeting, San Diego, CA. **\*Winner of the Sexual and Reproductive Health Section Poster Award.**

10. \*Hill AV, De Genna NM, Perez-Patron MP, Gilreath TD, Tekwe C, **Taylor BD**. Identifying syndemics for sexually transmitted infections among young adults in the United States: A latent class analysis. **Oral Presentation** at the 2018 CDC STD Prevention Conference, Washington DC.
11. **\*\*Taylor BD, \*\*Baker E, \*\*Burnum-Johnson K, Stratton KG, Gritsenko MA, Zheng X, Kyle JE, Bloodsworth K, Weitz K, Brewer HM**. Proteomic and lipidomic signatures in gestational diabetes mellitus and preeclampsia. **Presented** to the 2018 Society for Pediatric & Perinatal Epidemiologic Research Meeting, Baltimore MD.
12. **Taylor BD, Zheng X, O'Connell CM, Wiesenfeld HC, Hillier SL, Darville T**. *Mycoplasma genitalium*, endometritis and incident infection in high risk women. **Presented** at the Society for Epidemiologic Research Meeting, Seattle, WA 2017
13. **Taylor BD, Haggerty CL, Ness RB, Hougaard DM, Skogstrand K, Roberts JM, Olsen J**. Fetal sex differences in soluble fms-like tryrosine kinase 1 (sFLT) among preeclamptic women. **Presented** at Society for Pediatric & Perinatal Epidemiologic Research Meeting, Seattle, WA 2017
14. **Taylor BD, Menon R, Abiodun-Ojo O, Xu X**. The role of danger associated molecular patterns and pentraxin-3 in preeclampsia and gestational diabetes mellitus. **Presented** at the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Seattle, WA 2017
15. \*Nickodem C, Criscitiello M, Bazer F, Abiodun-Ojo A, **Taylor BD**. Evaluation of expression of interferon epsilon across pregnancy in healthy and Herpes Simplex Virus II infected women. **Presented** at the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Seattle, WA 2017
16. \*Hill AV, Tekwe C, Perez-Patron M, **Taylor BD**. *Chlamydia trachomatis* and preterm birth subtypes. **Presented** at the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Seattle, WA 2017
17. \*Zhang X, **Taylor BD, Xu X**. Serum Folate Level and Urinary Arsenic Methylation Profiles. **Presented** The American Public Health Association Annual Meeting, Atlanta GA, 2017
18. Ayad MT, Tivedi J, Urrabaz-Garza R, Kechichian T, Saade G, **Taylor BD, Menon R**. Distinct effects of Simvastatin, Rosuvastatin and Progesterone on p38MAPK mediated senescence and sterile inflammation in human fetal membranes. **Presented** to the 2017 Society for Reproductive Investigation.
19. **Taylor BD, Bass D, Ness RB, Klebanoff MA, Olsen J, Skogstrand K, Hougaard DM, Roberts JM, Haggerty CL**. Differences in systemic maternal immune biomarkers by fetal sex. **Presented** to the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Miami, FL 2016
20. Haidong K, **Taylor BD, Johnson N, Xu X**. Ozone and Hypertensive Disorders of Pregnancy in Florida: Examining the Susceptible Exposure Windows. **Presented** to the 2016 Epidemiology Congress of The Americas, Miami, FL
21. **Taylor BD, Zheng X, Darville T, Abiodun-Ojo O, Konganti K, Ness RB, Haggerty CL**. Whole-exome sequencing to identify novel genes associated with infertility following chlamydial pelvic inflammatory disease. **Oral presentation** to the 2016 Epidemiology Congress of The Americas, Miami, FL
22. Sheller S, Saade G, **Taylor BD, Richardson L, Mesiano S, Taylor RN, Menon R**. Oxidative Stress-Induced Amnion Cell-Derived Exosomes Produce Inflammatory Changes in Myometrial Cells: Fetal-Maternal Signaling in Human Parturition. **Presented** to the 2016 Science in the Service of Women's Health annual meeting. **\*Award winner**

Updated July 2019

23. Perez-Patron MP, **Taylor BD**, De Genna NM. Depression and STI Comorbidity among Men and Women of Reproductive Age. **Presented** to the 2015 annual meeting of the Southern Demographic Association. San Antonio, TX, October 2015
24. \*Abiodun-Ojo OA, **Taylor BD**, Villagrana-Zesati R, López-Hurtado M, de Haro-Cruz M, Guerra-Infante FM. The frequency of *Mycoplasma genitalium* in a population of Mexican women. **Presented** at the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Denver CO, June 2015
25. **Taylor BD**, De Genna NM, Patron MP, Zhang P. The development of substance use and health disparities in herpes simplex virus type 2 (HSV-2). **Presented** at the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Denver CO, June 2015
26. **Taylor BD**, Totten PA, Astete SG, Ferris MJ, Norori J, Ferrell RE, Ness RB, Martin DH, Haggerty CL. Genetic variation in Toll-like receptor 6 is associated with *Leptotrichia amnionii* infection in women with pelvic inflammatory disease. **Presented** at the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Denver CO, June 2015
27. Behnia F, **Taylor BD**, Polenttini J, Kacerovsky M, Saade G, Taylor RN, Menon R. Amniotic Fluid Telomere fragments: Fetal Signals of Parturition? **Presented** Society for Reproductive Investigation, March 2015
28. Dutta E, **Taylor BD**, Kacerovsky M, Behnia F, Polettini J, Kechichian T, Saade G, Bodogh I, Menon R. Ras-GTPase and p38 MAPK activation delineate the pathways of spontaneous preterm birth and preterm premature rupture of the membranes. **Presented** to Society for Maternal-Fetal Medicine, February 2015
29. Behnia F, **Taylor BD**, Dutta E, Saade G, Menon R. Senescence associated secretory phenotype: A signal for parturition? **Presented** to Society for Maternal-Fetal Medicine, February 2015
30. **Taylor BD**, Ness RB, Olsen J, Hougaard DM, Skogstrand K, Roberts JM, Haggerty CL. Elevated serum inflammatory markers and preeclampsia: results from a large national cohort study. **Presented** to International Society for the Study of Hypertension in Pregnancy, New Orleans, October 2014.
31. **Taylor BD**, Darville T, Ferrell RE, Ness RB, Haggerty CL. Variants in the interferon-epsilon gene and sexually transmitted infections among African American women with pelvic inflammatory disease. **Presented** to the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Seattle, WA, 2014
32. **Taylor BD**, Ness RB, Olsen J, Hougaard DM, Skogstrand K, Roberts JM, Haggerty CL. Serum leptin measured in early pregnancy is higher in women with preeclampsia compared to normotensive pregnant controls. **Oral presentation** to the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Seattle, WA, June 2014
33. **Taylor BD**, Ness RB, Olsen J, Hougaard DM, Skogstrand K, Roberts JM, Haggerty CL. Elevated maternal mid-trimester serum inflammatory cytokines among women with preeclampsia. **Oral presentation** 2013 Society for Pediatric & Perinatal Epidemiologic Research Meeting, Boston, MA
34. **Taylor BD**, Ness RB, Olsen J, Hougaard DM, Skogstrand K, Roberts JM, Haggerty CL. The distribution of first and second trimester serum inflammatory markers in normotensive and preeclamptic pregnancies. **Presented** to the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Boston, MA, June 2013 **\*This poster was featured during the Society's Poster Tour**

Updated July 2019

35. **Taylor BD**, Ness RB, Klebanoff MA, Olsen J, Skogstrand K, Hougaard DM, Roberts JM, Haggerty CL. Elevated first trimester maternal serum inflammatory markers predict preeclampsia. **Presented** at the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Boston, MA, June 2013
36. Wiringa AE, Brooks MM, Ness RB, **Taylor BD**, Haggerty CL. Endometrial neutrophil and plasma cell counts among women with clinically suspected pelvic inflammatory disease. **Presented** at the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Boston, MA, June 2013
37. **Taylor BD**, Holzman C, Fichorova R, Tian Y, Jones N, Fu W. Cytokine biomarkers for the classification of preterm delivery subtypes. **Presented** at the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Minneapolis, MN, June 2012
38. **Taylor BD**, Darville T, Ferrell R, Kammerer C, Ness RB, Haggerty CL. Toll-like receptor variants and colonization of bacterial vaginosis-associated microbes. **Presented** at the Society for Pediatric & Perinatal Epidemiologic Research Meeting, Minneapolis, MN, June 2012
39. **Taylor BD**, Darville T, Ferrell R, Kammerer C, Ness RB, Haggerty CL. Racial differences in the allelic distribution of toll-like receptor variants among women with pelvic inflammatory disease. **Presented** to the 2011 Society for Pediatric & Perinatal Epidemiologic Research Meeting, Montreal, Ca., June 2011
40. **Taylor BD**, Darville T, Ferrell R, Kammerer C, Zmuda J, Ness RB, Haggerty CL. Toll-like receptor gene variants are associated with *Chlamydia trachomatis* among women with pelvic inflammatory disease. **Presented** at the 2011 University of Pittsburgh, Graduate School of Public Health, Dean's Day Student Research Competition, Pittsburgh, PA, April 2011
41. **Taylor BD**, Darville T, Ferrell R, Kammerer K, Haggerty C. The role of toll-like receptors in infertility following chlamydial pelvic inflammatory disease. **Presented** at the NIH National Graduate Student Research Festival, Bethesda, MD, October 2010
42. **Taylor BD**, Darville T, Tan C, Bavoil P, Ness B, Haggerty C. Polymorphic membrane proteins and pelvic inflammatory disease. **Presented** for the 2010 Society for Pediatric & Perinatal Epidemiologic Research Meeting, Seattle, WA, June 2010
43. **Taylor BD**, Ness RB, Haggerty CL. Microbial correlates of delayed care for pelvic inflammatory disease. **Presented** at the 2009 Society for Pediatric & Perinatal Epidemiologic Research Meeting, Anaheim, CA, June 2009
44. **Taylor BD** and Haggerty CL. The association between Cesarean section and secondary infertility. **Presented** at the 2007 EPI in Action! Internship Presentation, University of Pittsburgh Graduate School of Public Health, Pittsburgh, PA, September 2007

### Current Grants

- 07/19-06/24 1R01AI141501-01A1 NIH/NIAID  
“Immune activating syncytiotrophoblast microvesicles and danger associated molecular patterns in preeclampsia risk”  
**Award:** \$2,884,960; **PI:** Taylor
- 09/18-09/20 1R21AI140178-01 NIH/NIAID  
“Evaluation of Novel Interferon Epsilon across Human Pregnancy”  
**Award:** \$401,478; **PI:** Taylor
- 04/18-03/21 Knapp Community Care Foundation  
“The role of Maternal Diabetes & Obesity in Reproductive Health Outcomes”  
**Award:** \$349,640; **PI:** Perez-Patron; **Role:** Collaborator

### Completed Grants

- 03/16-03/19 1R01HD084532-01A1 NIH/NICHD  
“Profiling placental & placental membrane physiologic signature during pregnancy in maternal liquid biopsies”  
**Award:** \$562,144; **PI:** Menon; **Role:** Co-investigator
- 04/17-03/19 1 R40MC307600100 HRSA  
“Pathways from Early Substance Use to Health Disparities in STIs: A Multilevel Approach” **Award:** \$100,000; **PI:** Taylor
- 09/15-08/18 Discovery Foundation  
“The role of early pregnancy serum markers of cellular damage, innate immune signaling and angiogenesis in preeclampsia”  
**Award:** \$167,005; **PI:** Taylor
- 06/15-09/18 T76MC28441 HRSA  
“Maternal and Child Health Public Health Training Program”  
**Award:** \$350,000; **PD:** Taylor
- 08/15-08/17 5R33A1098660-06 NIH/NIAID  
“Identifying biomarkers and genetic risk factors predictive of reproductive sequelae”  
**Award:** \$440,415; **PI:** Darville; **Role:** Co-investigator
- 07/14-08/16 American Sexually Transmitted Disease Association  
“Host genetic susceptibility to chlamydia-associated reproductive morbidity”  
**Award:** \$100,000; **PI:** Taylor
- 06/15-05/16 REDI Grant Texas A&M University SPH  
“Early Pregnancy Serum Short-Chain Fatty Acids and Preeclampsia”  
**Award:** \$24,000; **PI:** Taylor
- 09/14-08/15 Texas Census Research Data Center Small Grant  
“Identification of population level variables associated with adverse reproductive and pregnancy outcomes” **Award:** \$4500; **PI:** Taylor

**Research Presentations**

<b>Date</b>	<b>Presentation Title</b>	<b>Venue</b>
February 2018	Sexual dimorphism in preeclampsia, biological or bias?	Interdisciplinary Faculty in Reproductive Biology Seminar, Texas A&M
January 2018	Sexual dimorphism in preeclampsia, biological or bias?	University of Pittsburgh, Graduate School of Public Health, Epidemiology Seminar
May 2016	Early pregnancy circulating cytokines in preeclamptic and normotensive pregnancies	National Institute of Environmental Health Sciences, Epidemiology Branch
March 2016	Host genetics and sexually transmitted infection related infertility	University of North Carolina, School of Medicine, Friday Infectious Disease Conference
November 2014	Mid-pregnancy maternal leptin in women with preeclampsia and normotensive pregnant women	Interdisciplinary Faculty in Reproductive Biology Seminar, Texas A&M
May 2014	Toll-like receptor variants and inflammation in reproductive and pregnancy complications	Texas A&M University Immunology Consortium Seminar
May 2014	Inflammatory markers for the prediction of preterm birth pathways	University of Texas Medical Branch
September 2013	First and mid-trimester inflammatory markers in the development of preeclampsia	Training Program in Reproductive, Perinatal & Pediatric Epidemiology Seminar, University of Pittsburgh Graduate School of Public Health
September 2012	Racial variation in the distribution of Toll-like receptor polymorphisms in women with pelvic inflammatory disease	Postdoc Lunch Live, University of Pittsburgh Postdoctoral Association
April 2012	Toll-like receptor 1 and 4 gene variants are associated with <i>Chlamydia trachomatis</i> among women with pelvic inflammatory disease	Epidemiology Seminar Series, University of Pittsburgh Graduate School of Public Health
April 2011	The role of delayed care seeking and Toll-like receptors in pelvic inflammatory disease and its sequelae	Training Program in Reproductive, Perinatal & Pediatric Epidemiology Seminar, University of Pittsburgh Graduate School of Public Health
October 2010	Delayed care seeking among women with pelvic inflammatory	Training Program in Reproductive, Perinatal & Pediatric Epidemiology

Updated July 2019

	disease and the development of sequelae	Seminar, University of Pittsburgh Graduate School of Public Health
June 2010	Toll-like receptors and infertility among women with pelvic inflammatory disease	Michigan State University, Department of Epidemiology and Biostatistics
April 2010	Are Toll-like receptors associated with infertility following chlamydial pelvic inflammatory disease?	Emory University, Department of Epidemiology
March 2010	The role of <i>Chlamydia trachomatis</i> polymorphic membrane proteins in inflammation and sequelae among women with pelvic inflammatory disease	Training Program in Reproductive, Perinatal & Pediatric Epidemiology Seminar, University of Pittsburgh Graduate School of Public Health
October 2009	Toll-like receptors and polymorphic membrane proteins in the development of sequelae following chlamydial pelvic inflammatory disease	Training Program in Reproductive, Perinatal & Pediatric Epidemiology Seminar, University of Pittsburgh Graduate School of Public Health
February 2009	Microbial correlates of delayed care for pelvic inflammatory disease	Seminar in Epidemiologic & Public Health Presentation, Univ. of Pittsburgh

### **Awards and Honors**

2018	2018 American Public Health Association Sexual and Reproductive Health Section Poster Award. <i>Senior author</i> on "Identifying syndemics for sexually transmitted infections among young adults in the United States: A latent class analysis."	
2017	National Institutes of Health (NIH) Early Career Reviewer (ECR) Program	
2015	Deans Faculty Best Paper Award. Texas A&M University School of Public Health. <i>Awarded for: Serum leptin measured in early pregnancy is higher in women who later develop preeclampsia compared to normotensive pregnant controls. Hypertension. 2015 Mar;65(3):594.</i>	
2013-2019	National Institutes of Health (NIH) Contraception and Infertility Research Loan Repayment Program Recipient: Primary contract and three renewals	
2011	National Research Service Award (NRSA) Institutional Postdoctoral Training Grant (T32), Michigan State University	
2011	The Women's Health Scholar Award, University of Pittsburgh	
2010	Selected participant of the Fifth Annual NIH National Graduate Student Research Festival, <i>National Institutes of Health, Bethesda MD</i>	
2009	National Research Service Award (NRSA) Institutional Predoctoral Training Grant (T32), University of Pittsburgh	

**Courses Taught**

<b>Academic year</b>	<b>Role</b>	<b>Title/Description</b>	<b>Credits</b>
2017-2018 2016-2017 2015-2016	<i>Instructor</i>	PHEB 621: Foundations in Maternal and Child Health Texas A&M University	3
2017-2018 2016-2017 2015-2016 2014-2015	<i>Instructor</i>	PHEB 610: Epidemiologic Methods II Texas A&M University	3
2014-2015	<i>Instructor</i>	PHEB 622: Reproductive and Perinatal Epidemiology Texas A&M University	3

**Other Teaching Activities**

<b>Academic year</b>	<b>Role</b>	<b>Title/Description</b>
2017-2018 2016-2017 2015-2016	<i>Organizer/Instructor</i>	Maternal and Child Health Research Seminar Texas A&M University
2016-2017	<i>Lecturer</i>	PHLT 305: Epidemiology in Public Health "Reproductive Epidemiology" Texas A&M University
2015-2016	<i>Lecturer</i>	MFMU Fellows Seminar, University of Texas Medical Branch "Basics of analyzing epidemiologic data" Texas A&M University
2015-2016	<i>Lecturer</i>	PHLT 304: Biological Basis of Public Health "Reproductive Epidemiology" Texas A&M University
2014-2015	<i>Lecturer</i>	VIBS432: Public Health Practices "Introduction to Reproductive Epidemiology" Texas A&M University
2016-2017 2014-2015	<i>Lecturer</i>	Foundations of Clinical and Translational Research, Texas A&M Health Science Center "Introduction to Genetic Epidemiology"
2012-2013	<i>Postdoctoral co-instructor</i>	EPIDEM 2710: Epidemiology of Women's Health University of Pittsburgh
2012-2013	<i>Postdoctoral co-instructor</i>	EPIDEM 2721: Research Seminar in Reproductive, Perinatal & Pediatric Epidemiology University of Pittsburgh
2010-2011	<i>Teaching Assistant</i>	EPIDEM2720: Reproductive Epidemiology University of Pittsburgh

## Student Related Mentoring and Service

### Doctoral Students

<b>Year</b>	<b>Name of Student(s)</b>	<b>Position of student/description</b>
2016-2019	Ashley Hill, MPH, DrPH DrPH candidate in Epidemiology Texas A&M University <i>Current:</i> T32 postdoctoral fellow, University of Pittsburgh	Chair of doctoral committee
2016-2018	Hala Nawaiseh PhD candidate in the Department of Nutrition and Food Science Texas A&M University	Dissertation committee member
2016-2019	Krystal Flores, MPH, DrPH DrPH candidate in Health Promotion and Community Health Sciences Texas A&M University	Dissertation committee member
2016-2018	Alexjandro Daviano, MPH, DrPH DrPH in Epidemiology Texas A&M University	Dissertation committee member
2015-2018	Olufunto Olusanya, MPH PhD candidate in Health and Kinesiology Texas A&M University	Dissertation committee member
2014-2017	Angel Glover, MS, PhD PhD in counseling psychology Texas A&M University	Dissertation committee member

### Medical Fellows

<b>Year</b>	<b>Name of Student(s)</b>	<b>Position of student/description</b>
2017	Martina Ayad, MD Fellow, Maternal Fetal Medicine UTMB	Biostatistical/epidemiological mentor on thesis
2016	Faranak Behnia, MD Fellow, Maternal Fetal Medicine UTMB	Biostatistical/epidemiological mentor on thesis

**Master Students**

<b>Year</b>	<b>Name of Student(s)</b>	<b>Position of student/description</b>
2018-2019	Hemi Park MPH student in Epidemiology Temple University	Graduate Research Assistant Advisor
2017-2018	Patrice Carpenter MPH student in Health Policy Management Texas A&M University	MCH Program Faculty Advisor
2016-2018	Colette Nickodem MPH (2018) in Epidemiology <u>Current:</u> Zika Pregnancy Registry Epidemiologist Coordinator, Texas Department of State Health Services	MCH Program Faculty Advisor
2014-2018	Texas A&M University MPH student advisor Texas A&M University	Advise approximately 8-10 MPH students per year
2015-2016	Bhagath Chirra MPH (2016) in Epidemiology Texas A&M University <u>Current:</u> PhD program in Microbiology	Graduate Student Research Advisor
2015-2016	Semiu Gbadamosi MPH (2016) in Epidemiology Texas A&M University <u>Current:</u> Research Coordinator University of Nevada, Las Vegas	Graduate Student Research Advisor
2015-2016	Olayinka Abidodun-Ojo, MPH (2016) in Epidemiology Texas A&M University <u>Current:</u> Research Coordinator Emory University	MCH Program Faculty Advisor Graduate Student Research Advisor

**Undergraduate Students**

<b>Year</b>	<b>Name of Student(s)</b>	<b>Position of student/description</b>
2017-2018	Deanna Hairrell Undergraduate, Biomedical Sciences Texas A&M University	Faculty Research Advisor
2017-2018	Lauren Sanders Undergraduate, Nursing Texas A&M University	Faculty Research Advisor, Collaborative Initiatives in Maternal, Perinatal and Infant Research

Updated July 2019

2017-2018	Gabriella Rodriguez Undergraduate, Public Health Texas A&M University	Faculty Research Advisor, Collaborative Initiatives in Maternal, Perinatal and Infant Research
2016-2017	Amber Carter Undergraduate, Allied Health Texas A&M University	Faculty Research Advisor, Collaborative Initiatives in Maternal, Perinatal and Infant Research
2013-2014	Daniel Nath, BS, MPH candidate Texas A&M University	Mentored undergraduate student Daniel Nath on a career as a public health professional

### **Academic Related Service**

<b>Year(s)</b>	<b>Committee/Organization</b>	<b>Position</b>
2019-2020	Temple University Department of Epidemiology/Biostatistics Curriculum Committee	Chair
2018-2019	Temple University Department of Epidemiology/Biostatistics Curriculum Committee	Member
2018-2019	Temple University College of Public Health Public Health Week Planning Committee	Member
2018-2019	Temple University Department of Epidemiology/Biostatistics PhD Admissions Committee	Member
2018	Texas A&M University Epidem/Biostat Department Head Search Committee	Member
2018	Texas A&M University Certificate in Maternal and Child Health	Director
2017-2018	Texas A&M University Maternal and Child Health Student Organization	Faculty Advisor
2017-2018	Texas A&M University Department of Epidemiology and Biostatistics Epidemiology Faculty Search Committee	Chair
2016-2018	Texas A&M University CIMPIR Tier One Program in Maternal, Infant, and Perinatal Health undergraduate research	Faculty Research Supervisor
2014-2018	Texas A&M University Program on Reproductive and Child Health	Director
2014-2018	Texas A&M University Interdisciplinary Faculty in Reproductive Biology	Member

Updated July 2019

2016-2017	Texas A&M University School of Public Health BSPH merger committee	Member
2014-2016	Texas A&M University School of Public Health Student Affairs Committee	Member
2014-2016	Texas A&M Health Science Center Department of Epidemiology and Biostatistics Epidemiology Faculty Search Committee	Member
2014-2016	Texas A&M Health Science Center Department of Epidemiology and Biostatistics Biostatistics Faculty Search Committee	Member

**Grant Review**

<b>Years</b>	<b>Position</b>	<b>Organization</b>
2019	Ad hoc reviewer	NIH/NIGMS, SCORE review panel
2019	Ad hoc reviewer	Health Research Council of New Zealand
2019	Ad hoc reviewer	Preeclampsia Foundation
2017	Ad hoc reviewer	Ireland, The Health Research Board

**Other Service (Professionally Related)**

<b>Years</b>	<b>Position</b>	<b>Organization</b>
2019	Annual Meeting Poster Judge	Society for Epidemiologic Research (SER)
2019	Prediction working group	PRIBEC, Global, Dubrovnik, Croatia Multinational collaborative of clinicians and research scientists to improve pregnancy and birth outcomes
2019	Symposium Speaker	Center for Public Health Law Research, Temple University
2018	Session Chair, Translation working group	PRIBEC, North American, Galveston, TX Multinational collaborative of clinicians and research scientists to improve pregnancy and birth outcomes
2018	SPER Student Prize Paper Award Reviewer	Society for Pediatric and Perinatal Epidemiologic Research

Updated July 2019

2013-2018	Annual Meeting Abstract Reviewer	Society for Epidemiologic Research
2013-2018	Annual Meeting Abstract Reviewer	Society for Pediatric and Perinatal Epidemiologic Research
2017	Panel Moderator	Women, Peace, and Security Conference, The Bush School
2017, 2019	SPER Annual Meeting Poster Judge	Society for Pediatric and Perinatal Epidemiologic Research
2017	Prediction working group	PRIBEC, Global, Galveston, TX Multinational collaborative to improve pregnancy and birth outcomes
2013	Annual Meeting Abstract Reviewer	American College of Epidemiology
2013	Panelist	University of Pittsburgh Alumni Panel, New Student Orientation

### **Continuing Education**

2019	Society for Epidemiologic Research Annual Meeting. Pre-conference workshop “An introduction to directed acyclic graphs: What you never wanted but needed to know about bias and didn’t even know to ask.” June 2019, Minneapolis, MN
2016	Society for Pediatric and Perinatal Epidemiologic Research Annual Meeting. Pre-conference workshop “Latent growth curve analysis in perinatal and pediatric epidemiology” and “Doubly robust G estimation of structural nested models: Concept and application”. June 2016, Miami, FL
2016	Society for Epidemiologic Research Annual Meeting. Pre-conference workshop “Microbiome in Epidemiology”. June 2016, Miami, FL.
2015	Texas A&M University 2015 Bioinformatics/Biostatistics Workshop, College Station, Texas Modules: “Efficient NGS tools for sequence assembly and analysis” “Genetic and Genomic Analysis of Complex Traits”
2015	University of Washington Summer Institute in Statistical Genetics, Seattle, WA Module: “Molecular Genetics and Genomics”
2013	Society for Pediatric and Perinatal Epidemiologic Research Annual Meeting. Pre-conference workshop “Biomarkers and measurement error beyond conventional methods” and “Propensity-score analysis: matching, weighting, and stratification in Stat and R”. June 2013, Boston, MA
2010	Department of Human Genetics, University of Pittsburgh, Pittsburgh, PA <ul style="list-style-type: none"><li>• Single nucleotide polymorphism genotyping by fluorescence polarization.</li></ul>
2009	<i>Research Analyst Intern</i> : The Maternal and Child Health Bureau, U.S. Department of Health and Human Services, Graduate Student Internship Program, The Center for Health Statistics, Arkansas Department of Health, Little Rock, AR

Updated July 2019

**Project:** CDC's Pregnancy Risk Assessment Monitoring System (PRAMS): Arkansas PRAMS Report; Maternal and Child Health Indicators, by Race/Ethnicity, 2005-2007

2007

*Epidemiology Intern:* Department of Epidemiology, University of Pittsburgh, Pittsburgh, PA  
**Project:** Cesarean section and secondary infertility, mediated by post-partum endometritis.

### **Journal Reviewer**

*Inflammation Research, Fertility and Sterility, Hypertension in Pregnancy, Journal Women's Health, Infection and Drug Resistance; Nature Scientific Reports, PLoSOne, Annals of Medicine, BMC Infectious Diseases, Genes, Current Drug Metabolism, BMC Pregnancy and Childbirth, Clinica Chimica Acta, BMC Immunology, Sexually Transmitted Infections, BMC Public Health, BMC Research Notes, BJOG: An International Journal of Obstetrics and Gynaecology, Journal of AIDS and HIV Research, Nicotine & Tobacco Research, Clinical Medicine Insights, International Journal of Women's Health, Journal of Leukocyte Biology, European Journal of Clinical Microbiology & Infectious Diseases, International Journal of Fertility and Sterility, International Journal of Women's Health, Reproductive Sciences, Genes and Immunity*

### **Professional Affiliations**

2010-2017 Member, American College of Epidemiology (ACE)  
2009-2019 Associate Member, American Sexually Transmitted Diseases Association (ASTDA)  
2009-2019 Member, The Society for Epidemiologic Research (SER)  
2009-2019 Member, Society for Pediatric and Perinatal Epidemiologic Research (SPER)  
2009-2019 Associate Member, International Union against Sexually Transmitted Infections (IUSTI)
