

CURRICULUM VITA

Bryan P. McCormick

Department of Rehabilitation Sciences
1700 N. Broad Street, Suite 304C
Philadelphia, PA 19122
(215) 204-6817
e-mail: bryan.mccormick@temple.edu

CURRENT POSITION:

Professor, Department of Rehabilitation Sciences, Temple University

EDUCATION:

- 1993 Ph.D., Parks Recreation and Tourism Management
 Clemson University
 Dissertation: *Same Place, Different Worlds: Leisure Styles and Community Life of Older Residents of Rural Retirement and Village Communities*, Dr. Fran McGuire, advisor.
- 1990 M.S., Recreation and Parks; Emphasis in Therapeutic Recreation
 The Pennsylvania State University
 Thesis: *The Experience of Self in Alcoholics Anonymous: Implications to Leisure*, Dr. John Dattilo, advisor.
- 1986 B.S., Recreation and Parks; Emphasis in Therapeutic Recreation
 The Pennsylvania State University

EMPLOYMENT RECORD:

- July 2017- Present **Professor**- Department of Rehabilitation Sciences, Temple University, Philadelphia, PA. Duties include preparation and teaching of Undergraduate and Master's courses in Recreational Therapy; developing and carrying out research projects; supervising graduate research projects, as well as serving on graduate, department, college and campus committees.
- August 2015- June 2017 **Professor** - Department of Recreation, Park and Tourism Studies, Indiana University, Bloomington IN. Duties included, preparation and teaching Undergraduate, Master's and Doctoral courses in Recreational Therapy major and core curriculum; developing and carrying out research projects; serving as academic coordinator for recreational therapy major; and advising undergraduates and graduate students as well as serving on graduate, departmental, school, campus and university committees.
- May 2011- June 2015 **Professor and Chair**- Department of Recreation, Park and Tourism Studies, Indiana University, Bloomington IN. Duties included supervising a department of 29 tenure and non-tenure faculty with over 600 undergraduate majors, managing a

departmental budget of \$3.6 million, planning and approving undergraduate and graduate course offerings, representing the department in school and university functions, working with fundraising units, and supervising three centers/institutes and two auxiliary service units.

- Jan 2011- **Interim Chair**- Department of Environmental Health, Indiana University, Bloomington, IN. Duties included supervision of a department of three tenure-line and three non-tenure line faculty members, and managing a \$1.1 million dollar departmental budget. Continuing the development of this new department through establishment of constitution and bylaws and faculty policies.
- May 2011
- Sept 2009- **Associate Chair for Research & Graduate Education**- Department of Recreation, Park and Tourism Studies, Indiana University, Bloomington IN. Responsibilities for coordinating graduate education, student academic appointments (SAA) and funding. Facilitate and coordinate research activities via internal mechanisms. Support development, review, and advance proposals for external research funding.
- April 2011
- July 2001- **Associate Professor**- Department of Recreation, Park and Tourism Studies, Indiana University, Bloomington IN. Duties include, preparation and teaching undergraduate and graduate courses in Therapeutic Recreation option and core curriculum; developing and carrying out research projects; and advising undergraduates and graduate students as well as serving on graduate, departmental, school, campus and university committees.
- June 2011
- Sept 2008- **Interim Chair**- Department of Recreation, Park and Tourism Studies, Indiana University, Bloomington, IN. Duties included supervising a department of 34 tenure and non-tenure faculty, managing a departmental budget of \$3.6 million, planning and approving undergraduate and graduate course offerings, representing the department in school and university functions, and working with fundraising units.
- Dec 2008
- August 1995- **Assistant Professor**- Department of Recreation and Park Administration, Indiana University, Bloomington IN. Duties included, preparation and teaching undergraduate and graduate courses in Therapeutic Recreation option and core curriculum; developing and carrying out research projects; and, advising undergraduates and graduate students as well as serving on graduate committees.
- June 2001
- August 1993- **Assistant Professor**- Department of Recreation and Leisure Studies, East Carolina University, Greenville NC. Duties included, preparation and teaching undergraduate courses in Therapeutic Recreation option and core curriculum. Duties also include advising undergraduates and serving on graduate committees. Developed and carried out research projects. Additional duties are acting as consultant to local, county and state agencies and service on departmental and school committees.
- May 1995
- August 1990- **Graduate Assistant**- Clemson University, Clemson, SC. Worked through

- June 1993 both the Clemson University Outdoor Laboratory and the department of Parks Recreation and Tourism Management. Duties included both undergraduate instruction and research.
- January 1990- **Instructor of Leisure Studies**- The Pennsylvania State University,
 May 1990 Department of Leisure Studies, University Park, Pa. Supervising students on full-time field placements. Duties included monitoring weekly progress of students, grading of written work, telephone contact with students and on-site visits with students placed within the state of Pennsylvania.
- August 1988- **Graduate Assistant**- The Pennsylvania State University,
 August 1989 Department of Leisure Studies, University Park, Pa. Supervised students on full-time field placements. Assisted in teaching undergraduate courses.
- May 1986- **Certified Therapeutic Recreation Specialist**- The Meadows Psychiatric
 July 1988 Center, Centre Hall, Pa. A 100 bed private, inpatient psychiatric hospital serving clients of all ages. Primary duties included development, execution and documentation of therapeutic groups within a Therapeutic Recreation Service Model. Other duties included development of assessment tools, participation in multi-disciplinary treatment teams and supervision of recreation aides, interns and volunteers.

PROFESSIONAL PRESENTATIONS:

A. Invited Presentations

1. McCormick, BP. (2017, December). *Community participation as a model of environmental enrichment: Implications for cognition, learning and well-being*. Presented at half-day workshop on "Supporting Community Participation for Adults with Psychiatric Disabilities" for staff and students of the Tuzla Psychiatric Clinic. Tuzla, Bosnia & Herzegovina.
2. McCormick, BP. (2017, December). *Community participation as environmental enrichment: Translating animal models to human interventions*. Invited presentation at Community Participation and Adults with Psychiatric Disability symposium sponsored by TK Feniks, mental health users' association. Sarajevo, Bosnia & Herzegovina.
3. McCormick, BP. (2016, November). *Recreational therapy: Using sport and physical activity as a basis for rehabilitation*. Invited presentation at the 14th International Sports Sciences Congress, Antalya, Turkey.
4. McCormick, BP. (2015, November). *Recreational therapy as a rehabilitation approach*. Invited presentation to students and staff of Faculty of Special Education and Rehabilitation, University of Belgrade, Serbia.
5. McCormick, BP. (2015, June). *Physical activity and cognitive function: The role of physical activity in brain health and function*. 2nd International Conference on Sports and Health, Guangzhou, China.
6. McCormick BP. (2014, November). *The time is now: RT at a crossroads*. Opening general session for the Recreation Therapists of Indiana Annual Meeting. Nashville, IN.
7. McCormick, BP (2014, October). *The importance of physical and social activity in adults with disabilities*. Presented at the 3rd International Scientific Congress on Adult Persons with Disabilities. Sabac, Serbia
8. McCormick, BP. (2014, April). *Sailing the ocean of opportunity to evidence-based RT practice*. Closing general session to the Southeast Recreational Therapy Symposium. Myrtle Beach, SC.
9. McCormick, BP. (2014, April). *The evidence base for RT: Dying of dehydration or drinking from a fire hose?* Keynote address to the Southeast Recreational Therapy Symposium, Myrtle Beach SC.
10. McCormick, BP. (2014, April). *"So why would you do that?" Using research to support RT practice*. Opening session for Eastern Kentucky University Therapeutic Recreation Workshop. Richmond, KY.
11. McCormick, BP. (2013, June) *Recreation as an agent in the creation of mental health*. Presentation to the Temple Collaborative on Community Inclusion. Philadelphia, PA.
12. McCormick, BP. (2013, May). *Recreation as an agent in the re-creation of mental health*. Recreation and Mental Health Symposium: Supporting Knowledge Exchange and Collaborative Planning Related to Recreation and Mental Health. Sponsored by Dalhousie University and the Nova Scotia (Canada) Dept. of Health & Wellness. Debert, NS Canada.

13. Skalko, D., Dawson, S., & McCormick, B.P. (2012, October). *Advancing the profession through professional development, educational preparation and consumer protection*. Closing general session of the American Therapeutic Recreation Association annual conference, Phoenix, AZ.
14. McCormick, BP. (2012, May). The global challenge of deinstitutionalization. Indiana University Global Mini Conference. Center for the Study of Global Change. Bloomington, IN.
15. McCormick, BP. (2012, April). *The role of physical and social activation in cognitive dysfunction in later life*. XIV National Congress of the Serbian Psychiatric Association and the III Congress of the Psychiatric Association for Eastern Europe and the Balkans. Belgrade, Serbia
16. McCormick, BP. (2011, November). *Importance of psychosocial status in secondary prevention and rehabilitation of cardiovascular disease*. XVIII Congress of the Cardiology Society of Serbia. Belgrade, Serbia.
17. McCormick, BP. (2011, November). *Physical activity in the health and treatment of people with intellectual disabilities*. Presentation to the faculty of Sport and Physical Education, University of Belgrade, Belgrade Serbia.
18. Frey GC, McCormick BP. (2011, October). *Using ecological momentary assessments and accelerometry to understand everyday social and physical functioning*. International Symposium on Toward the Future: New TiYu Science and Physical Education; 2011; Beijing Sport University, Beijing China.
19. McCormick, BP. (2010, December). *Recreation as therapy: Possibilities for community mental health*. University of Banja Luka Hospital. Banja Luka, Bosnia and Herzegovina.
20. McCormick, BP. (2010, December). *Subjective experience in health research: The use of ecological momentary assessment methods*. Fulbright Scholar presentation at the University of Kragujevac, Serbia.
21. McCormick, BP (2010, December). *Possible applications of recreational therapy in psychiatry of Serbia*. Health Center Valjevo, Serbia.
22. McCormick, BP. (2010, December). *Physical activity in the treatment of people with mental illness*. Health Center Valjevo, Serbia.
23. McCormick, BP. (2010, November). *Physical activity in the health of people with severe mental illness*. Vrapce Psychiatric Hospital, Zagreb Croatia.
24. McCormick, BP. (2010, November). *Physical activity in the health of people with intellectual disability*. Faculty of Kinesiology, University of Zagreb, Zagreb Croatia.
25. McCormick, BP. (2010, November). *Physical activity in the health of people with intellectual disability*. Faculty of Educational and Rehabilitation Science, University of Zagreb, Zagreb Croatia.
26. McCormick, BP. (2010, October). *The benefits of physical activity in physical and mental disorders*. Medical Faculty, University of Kragujevac, Serbia.
27. McCormick, BP. (2008, December). *Living with severe mental illness: Challenges to health and community functioning*. Dean's Research Seminar series, School of Health, Physical Education and Recreation. Indiana University, Bloomington, IN.
28. McCormick, BP. (2008, March). *ATRA Strategic Planning*. Teleconference presentation for Leadership ATRA class of the American Therapeutic Recreation Association.
29. McCormick, BP. (2007, November). *The role of recreation in the lives of people with mental illness*. Diversity Lecture Series. Department of Parks, Recreation and Tourism Sciences. Texas A & M University. College Station, TX.

30. McCormick, BP. (2007, June 2007). *The Role of Professional Associations in a Diverse World* (Keynote address). Canadian Therapeutic Recreation Association. Regina, Saskatchewan.
- Invited Presentations as President of American Therapeutic Recreation Association
31. McCormick, BP. (2006, March). "Ask not what your country can do for you..." Keynote address presented at the New York State Therapeutic Recreation Association annual meeting. Saratoga Springs, NY.
32. McCormick, BP. (2006, February). "Ask not what your country can do for you..." Keynote address presented at the Cincinnati/Dayton TR Association annual meeting. Cincinnati, OH.
33. McCormick, BP. (2005, November). "Ask not what your country can do for you..." Keynote address presented at the New Jersey/Eastern Pennsylvania TR Association annual meeting. Princeton, NJ.
34. McCormick, BP. (2005, November). "Ask not what your country can do for you..." Keynote address presented at the Recreation Therapists of Indiana annual meeting. Terre Haute, IN.
35. McCormick BP. (2005, April). "Ask not what your country can do for you..." Keynote address presented at the Iowa Therapeutic Recreation Association annual meeting. Waterloo, IA.
36. McCormick, BP. (2005, December). *Recreation therapy and addictions*. Hospital-wide in-service presentation. Fairbanks Hospital. Indianapolis, IN.
37. McCormick, BP. (2005, April). *Evaluation*. Session presented at the National Park Service Fundamentals Instructor Skills Training Course. Bloomington, IN.
38. McCormick, BP. (2004, February). *Virtually Competent: Case Conceptualization in TR Training*. Presented as part of the School of Health Physical Education and Recreation Technology Showcase. Bloomington, IN.
39. McCormick, BP, & Sedledzeck, H. (2004, March). *Community TR Efforts: Clinical in the Community*. Co-presented with Heather Setledzeck at the IU Therapeutic Recreation Spring Workshop, Bloomington, IN.
40. McCormick, BP. (2003, June). *Social functioning and inclusion: New directions for Kosovo*. Presented at Doctors of the World-USA workshop Disability Services in Kosovo. Pristina, Kosovo.
41. McCormick, BP. (2003, June). *Effective charting*. Presented at the 2003 Madison State Hospital Rehabilitation Therapy Summer Workshop. Madison, IN.
42. McCormick, BP. (2003, June). *Social support in the rehabilitation of patients with severe and persistent mental illness*. Presented at the 2003 Madison State Hospital Rehabilitation Therapy Summer Workshop. Madison, IN.
43. McCormick, BP. (2003, March). *Using digital cameras/Digital videos in the classroom*. HPER Teaching Seminar, Bloomington IN.
44. McCormick, BP. (2002, June). *Participation of people with disabilities in the NSRE*. Presented as part of the live webcast "Recreation Access: Research into Practice" by the National Center on Accessibility. Bloomington, IN.
45. McCormick, BP. (2002, May). *Institutionalized adults with severe and persistent mental illness*. Presented at the 2002 Madison State Hospital Rehabilitation Therapy Summer Workshop. Madison, IN.
46. McCormick, BP. (2001, September). *Being the complete therapist: Using theory in practice*. Closing general session of the 2001 American Therapeutic Recreation

- Association Annual meeting, New Orleans, LA. Co-presented with Cynthia Carruthers and Colleen Hood.
47. McCormick, BP. (2001, May). *Virtual case studies in teaching therapeutic recreation*. Indiana University Teaching & Learning Technologies Lab, Summer Fare. Bloomington, IN.
 48. McCormick, BP. (2000, August). *Interaction in Distance Learning*. School of Health, Physical Education and Recreation's Distance Learning Committee-Sponsored Workshops. Co-presented with Dr. Kathleen Gilbert, Bloomington, IN.
 49. McCormick, BP. (2000, June). *Working therapeutically with adult psychiatric client*. Madison State Hospital Rehabilitation Therapy Workshop. Madison, IN.
 50. June 2000 "Working therapeutically with clients who are substance abusers" Madison State Hospital Rehabilitation Therapy Workshop. Madison, IN.
 51. McCormick, BP. (2000, March). *You've got to have friends: The role of recreation and leisure in well-being*. School of Health Physical Education & Recreation's Faculty Research Presentation series. Bloomington, IN.
 52. McCormick, BP. (1998, April). *Clinical in the Community: The changing face of health & human service delivery*. Keynote address at the Therapeutic Recreation Symposium for the Southwest, Houston TX.
 53. McCormick, BP. (1997, September). *Distance Learning: How to work with students at a distance*. Indiana University School of Public and Environmental Affairs, 1997 Fall Faculty Retreat.
 54. McCormick, BP. (1997, May). *Oh yeah? Well prove it!* General Session presentation on role of research in recreation therapy, presented at the Utah Recreation Therapy Association annual conference, Park City, UT.
 55. McCormick, BP. (1993, October). *What's going on here?: Leisure as a context for joint experience*. Invited presentation, presented in the sociological aspects of leisure section, 1993 SPRE Leisure Research Symposium, San Jose CA.
 56. McCormick, BP. (1991, June). *Making Your Business Accessible to Visitors With Disabilities*. Presented at Charleston Trident Convention & Visitors Bureau Travel Forum, Charleston SC.

B. Peer Reviewed Presentations

1. McCormick, B. P., & Snethen, G. (2013, November). Symptoms and Functional Capacity as Determinants of Physical Activity and Body Composition in Adults with Schizophrenia. American Public Health Association, 141st Annual meeting & exposition. Boston, MA. (Poster)
2. Lewis, S. T., & McCormick, B. P. (2013, October). Rewriting gender: Transmasculine narratives of leisure performance. Paper presented at the 2013 National Recreation & Park Association Congress, Leisure Research Symposium, Houston, TX.
3. McCormick, B. P. (2013, September). The role of physical and social activation in cognitive dysfunction. Paper presented at the American Therapeutic Recreation Association Annual Conference, Pittsburgh, PA.

42. McCormick, B. P. (1990, October). Examining the social world of alcoholics anonymous: Implications to leisure participation. Presented at the 1990 Leisure Research Symposium, Phoenix AZ.

C. Contributed or Competitive Presentations (59)

McCormick, B. P., & Snethen, G. (2018, April). *Applying a transdiagnostic perspective to recreational therapy practice in behavioral health*. Presentation at the Temple University Evidence Based Practice day. Philadelphia, PA.

McCormick, B. P., & Snethen, G. (2018, March). *Applying a transdiagnostic perspective to recreational therapy practice in behavioral health*. Presentation at the Southeast Recreational Therapy Symposium. Williamsburg, VA.

McCormick, B. P. (2017, July). *Community participation as a model of environmental enrichment*. TU Collaborative Summer Institute on Community Inclusion. Philadelphia, PA.

- Barnett, S. & McCormick, B. P. (2016, September). *When we're the barrier: Exploring provider-based stigma in a recreation therapy environment*. Presentation at the American Therapeutic Recreation Association Annual Congress. Lombard, IL.
- Nagata, S., & McCormick, B. P. (2016, April). *Enhancing health: Applying the salutogenic approach in therapeutic recreation*. Presented at the Midwest Symposium on Therapeutic Recreation and Adapted Physical Activity, St. Louis, MO.
- McCormick, B. P. & Allsop, J. (2014, September). *Why fun is good for you: Positive emotion as a recreational therapy outcome*. Presented at the American Therapeutic Recreation Association Annual Meeting, Oklahoma City, OK.
- McCormick, B. P., & Mowatt, R. (2014, February). *Positioning Parks and Recreation in Public Health*. Educational session presented at the Great Lakes Park Training Institute, Angola, IN.
- McCormick, B. P. (2013, November). *Recreational Therapy: The role of physical and social activation in cognitive dysfunction*. Concurrent session presented at the Recreation Therapists of Indiana Annual Conference. Carmel, IN.
- McCormick, B. P., Allsop, J. & Walter, A. (2012, October). *Why fun is good for you: Positive emotion as a recreational therapy outcome*. Concurrent session presented at the Recreation Therapists of Indiana 2012 Annual Conference, Martinsville, IN.
- Skalko, T. S., Connolly, M. & McCormick, B. P. (2012, October). *Committee on Accreditation of Recreational Therapy Education: Applicant Orientation and Visitor Training*. Day long workshop presented at the 2012 American Therapeutic Recreation Association Annual Conference, Phoenix AZ.
- McCormick, B. P., & Snethen, G. A. (2012, October). *Recreation and Leisure as Facilitators of Positive Emotion in Adults with Schizophrenia*. Concurrent session presented at the XII World Leisure Congress, Rimini Italy.
- McCormick, B. P. (2009, November). *Credentialing in therapeutic recreation*. General session presented at the Recreation Therapists of Indiana Annual Conference. Carmel, IN.
- McCormick, B. P. (2007, November). *Nothing is so practical as a good theory: Advancing RT services through theory*. Presented at the Recreation Therapists of Indiana Annual Conference. Chesterton, IN.
- McCormick, B. P. (2007, November). *Nothing is so practical as a good theory: Advancing RT services through theory*. Presented at the Illinois Recreational Therapists Association Annual Conference. Alsip, IL.
- Nov 2006 “The international classification of functioning, health and disability.” Presented with Dr. M. van Puymbroeck, Dr. D. K. Howard, and Dr. Y. Lee at the Recreation Therapists of Indiana Annual Conference, West Lafayette, IN.

- “So you want to be published?” Presented with Dr. Y. Lee at the Recreation Therapists of Indiana Annual Conference, West Lafayette, IN.
- Sept 2006 “Outcome based evaluation.” Presented with Ms. Elizabeth Hall at the 2006 American Therapeutic Recreation Association Annual Conference. Orlando FL.
- March 2006 “Active Leisure: Pilot testing an intervention for people with schizophrenia.” Presentation developed with Dr. Georgia Frey and presented at the 2006 American Therapeutic Recreation Association Mid-year Professional Issues Forum. Plano, TX.
- October 2005 “Team leader orientation and training.” Presented with Ms. Nancy McFarlane at the American Therapeutic Recreation Association Annual Conference. Salt Lake City, UT.
- April 2005 “The ACT Program: Assertive Community Treatment.” Presented with Ms. Angie Rollins as part of the American Therapeutic Recreation Association Academy Teleconference Series.
- November 2004 “Examining the everyday lives of community mental health clients: US and Serbia.” Presented at the Recreation Therapists of Indiana Annual Conference, Terre Haute, IN.
- October 2004 Aggression and Mental Illness. Presented with Ms. Elizabeth Hall at the 2004 American Therapeutic Recreation Association Annual Conference. Kansas City, MO.
- October 2004 “So you want to be published?” Presented with Dr. Youngkhill Lee at the 2004 American Therapeutic Recreation Association Annual Conference. Kansas City, MO.
- October 2004 “Therapeutic Recreation and the International Classification of Functioning, Disability and Health: Future Directions.” Presented with Dr. John Jacobson and Dr. David Howard at the 2004 American Therapeutic Recreation Association Annual Conference. Kansas City, MO.
- October 2004 “The Joy of Being a Professor: Learning about What Professors Do by Reviewing the Lives of Pioneering TR Educators.” Presented with Dr. Youngkhill Lee at the 2004 American Therapeutic Recreation Association Annual Conference. Kansas City, MO.
- June 2004 “Operationalizing Community Integration via the ICF.” Presented with Youngkhill Lee and John Jacobson at the 10th North American Collaborating Center Conference on ICF. Halifax, Canada.
- May 2004. “Case Conceptualization.” Presented at the Madison State Hospital RT Workshop. Madison, IN.

- Nov. 2003 "Advocating for people with mental disabilities in developing countries." Recreational Therapists of Indiana Annual Conference, Nov., 13-14, Elizabeth, IN.
- Oct. 2003 "Developing activities programs for people with disabilities in Kosovo." Co-presented with Amy Farkas, Vietnam Veterans of America Foundation. National Recreation and Park Administration Annual Congress, St. Louis, MO.
- Sept. 2003 "Advocating for people with mental disabilities in developing countries." American Therapeutic Recreation Association Annual Conference, Sept., 12-16, Atlanta, GA.
- Sept. 2002 "Is your website accessible?" Co-presenter John Chiang. 2002 National Recreation and Park Association annual congress, Tampa, FL.
- Sept. 2001 "Professionals needed to work with older adults: Are students following trends?" Co-presented with Susan Myllakangas and Michelle Reilly. 2001 American Therapeutic Recreation Association annual meeting, New Orleans, LA.
- Sept. 2001 "Virtual clients and cases for therapeutic recreation training." Presented at 2001 American Therapeutic Recreation Association annual meeting, Educator's Institute, New Orleans, LA.
- April 2001 A call for reform in TR professional preparation. Co-presented with Dave Austin and Youngkhill Lee. 30th Annual Midwest Symposium on Therapeutic Recreation. St. Louis, MO.
- November 2000 "State Initiatives Update: Current Progress and Future Needs." Co-presented with Diane Baumann, Kim Clarke, James Quinn. Recreation Therapists of Indiana, Annual Conference, Nashville, IN.
- Sept. 2000 "Theory based therapeutic recreation programming and evaluation." Co-presented with Linda Caldwell, Cynthia Carruthers, and Colleen Hood. 2000 American Therapeutic Recreation Association Annual Conference, Cincinnati OH.
- Sept. 2000 "21st Century teaching and learning: What will we see?" Co-presented with David Austin. 2000 American Therapeutic Recreation Association Annual Conference, Cincinnati OH.
- "A crisis in TR: The critical shortage of professors." Co-presented with David Austin. 2000 American Therapeutic Recreation Association Annual Conference, Cincinnati OH.
- April 2000 "Virtually competent: Teaching practical skills through interactive cases." Presented at the 18th Annual Spring Symposium, Indiana University. Bloomington, IN.

- March 2000 "Therapeutic outdoor programs: Theoretical connections of adventure and therapy." Co-presented with Alan Ewert and Alison Voight at the 2nd International Adventure in Therapy Conference. Augsburg, Germany.
- November 1999 "Technology in therapeutic recreation" Co-presented with David Austin at the 1999 Recreation Therapists of Indiana annual conference. Evansville, IN.
- October 1999 "Utilizing technology for staff training and development." Co-presented with Steve Wolter and Jim Ridenour at the 1999 National Recreation and Park Association Congress, Nashville, TN.
- May 1999 "Community adjustment of people with serious mental illness." Madison State Hospital Rehabilitation Therapy Workshop. Madison, IN.
- May 1999 "Practical approaches to performance improvement." Madison State Hospital Rehabilitation Therapy Workshop. Madison, IN.
- April 1999 "Evaluation alphabet soup: The past present and future of JCAHO accreditation." Presented at the 1999 Midwest Symposium on Therapeutic Recreation. St. Louis, MO.
- April 1999 "Finance 101: Current and future trends in health care financing" Co-presented with Mary Beth O'Brien at the 1999 Midwest Symposium on Therapeutic Recreation. St. Louis, MO.
- April 1999 "Outdoor experiential therapy: Introduction and overview." Co-presented with Alan Ewert and Alison Voight at 1999 Midwest Symposium on Therapeutic Recreation. St. Louis, MO.
- Nov 1998 "Finance 101: Where does the money come from?" Co-presented with Mary Beth O'Brien at the 1998 Recreation Therapists of Indiana annual conference. Rochester, IN.
- Sept 1998 " Gathering vs. dissemination: Using the Internet to enhance instruction." Presented in the Innovative Teaching Strategies forum at the 1998 American Therapeutic Recreation Association annual conference. Boston, MA.
- Sept 1998 "The Health Protection/Health Promotion model: An alternative to the Leisure Ability Model." Co-presented with David Austin at the 1998 American Therapeutic Recreation Association annual conference. Boston, MA.
- May 1998 "Quality of Life and people with chronic mental illness" Madison State Hospital Rehabilitation Therapy Workshop. Madison, IN.
- April 1998 "Clinical and internship supervision." Teleconference originating at Indiana University, Bloomington, IN. Co-presented with Deborah Getz and Ramon Zabriskie.

- April 1998 "Social networks of people with mental illness: Implications to practice." Presented at both the Therapeutic Recreation Symposium for the Southwest (Houston, TX), and the Midwest Symposium for Therapeutic Recreation (Springfield, IL).
- September 1997 "Resources for lifelong learning" Presented at the American Therapeutic Recreation Association annual conference, Nashville TN. Co-presented with David Austin.
- May 1997 "Collaborative research: Making the most of collaborative partnerships." Presented at the Utah Recreation Therapy Association annual conference, Park City, UT.
- August 1996 "The professionals speak." Presented at the 1996 Recreation Therapists of Indiana annual conference, Bloomington IN. Co-presenters Joan Breuckmann, Pam Schadt, Patrick Service, & Kim Thorbeck.
- January 1996 "Recreation companionship networks and social support networks in predicting psychological health". School of Health, Physical Education, and Recreation research colloquium, Bloomington IN.
- September 1995 "TR intervention in substance abuse." Presented at the 1995 Indiana Parks and Recreation Association annual conference. Indianapolis, IN.
- November 1994 "Recreation therapy and interpersonal connections: Facilitating social support among people with substance abuse problems." Presented at the 1994 North Carolina Recreation Therapy Association annual conference, Chapel Hill, NC.
- November 1993 "Ideals of sobriety, ideals of leisure: Presenting leisure within the ideology of Alcoholics Anonymous." Presented at the 1993 North Carolina Recreation Therapy Association annual conference, Chapel Hill, NC.
- December 1989 "Choosing a research method." Presented at mini-conference "Processes for Practitioner Conducted Research in Therapeutic Recreation", Penn State University, University Park PA.
- June 1989 "The use of non-traditional games as a facilitator of group counseling." Presented at 21st Annual Pennsylvania Therapeutic Recreation Institute, Kutztown PA.
- October 1988 "Verbal intervention techniques with the client in crisis." Co-presented with Patricia Kleban at the 38th annual Cortland Recreation Conference, Cortland NY.

D. Panel Presentations

- October 2004 "Academic Preparation in TR: Opportunities & Reality." Panel presentation at the American Therapeutic Recreation Association Annual Conference 2004, Kansas City, MO.

- Nov. 2000 "State Initiative Update: Current progress and future needs" Panel presentation at the Recreation Therapists of Indiana State Conference 2000, Nashville, IN.
- May 1998 "Distance Learning Workshop: Advancing Learning: Closing the Distance." Faculty Colloquium on Excellence in Teaching Retreat. Bloomington, IN.
- October 1991 "Continuing your education: How to choose a doctorate or master's program." Panel member with C.S. Beeler, C. Howe, G. Ellis, and F. McGuire at the 1991 National Recreation and Parks Association Congress, Baltimore MD.

E. Poster Presentations

- Frey, G. C., & McCormick, B. P. (2008, August). *Pairing ecological momentary assessments and accelerometry to understand activities and participation among people with disabilities*. 14th North American Collaborating Center Conference on ICF. Quebec City Canada.
- McCormick, B. P., Robertson, T., & Sohl, L. (2005, May). *Faculty productivity: Publication and funding*. Presented at the Therapeutic Recreation Educator's Conference. Atasca, IL.
- McCormick, B. P. (1996, September). *Social support and leisure: Implications for recreation therapy*. Poster presented at the 1996 American Therapeutic Recreation Association annual conference. San Francisco, CA.
- Sugg, S. B., & McCormick, B. P. (1995, May). *Survey of child life programs: Personnel and administration*. Presented at the 1995 Association for the Care of Children's Health Conference. Boston, MA.
- McCormick, B. P. (1991, June). *Therapeutic recreation practice within an alcoholics anonymous model*. Poster session presented at the Southeast Therapeutic Recreation Symposium, Knoxville TN.

F. Workshops, & Institutes

- Dec 2017 *Supporting community participation for adults with psychiatric disabilities*. Half-day workshop for staff and students of the Tuzla Psychiatric Clinic, Tuzla, Bosnia & Herzegovina.
- Sept 2015 *Evidence-based behavioral health practice*. Day-long pre-conference workshop at the 2015 American Therapeutic Recreation Association Annual Conference. Albuquerque, NM. Co-presented with Drs. Neil Lundberg & Gretchen Snethen.
- April 2012 "*Therapeutic Encounters: Emerging research in health and medicine in Eastern Europe*" Co-coordinated with Dr. Sarah Phillips (Dept. of Anthropology). Recruited nine graduate students to workshop their developing research.
- April 2012 "Positioning Parks and Recreation Agencies in Public Health." Johnson County Chapter of the IU Alumni Association, Indianapolis IN. Half-day workshop co-presented with Dr. Rasul Mowatt.
- December 2010- "Recreational, work and occupational therapies (RROT) for people with mental problems" / РРОТ (рекреативно-радно-окупациона терапија) особа са менталним поремећајима. Day-long training under the auspices of the Ministry of Health, Republic of Serbia. Presented at Health Center Valjevo, Serbia. Co-

- presented with Branka Stamatovic-Gajic, Milena Maksimovic, and Slobodanka Soldatovic.
- September 2003 "ATRA Outcomes Institute" Pre-conference institute at the American Therapeutic Recreation Association 2003 Annual Conference. Co-presented with Norma Stumbo, Barbara Wilhite, John Jacobson, Jo Ellen Ross, and Cynthia Carruthers.
- December 2002 "Psychosocial Training: Therapeutic Use of Activity." Three-day training provided under the auspices of the International Organization for Migration, Kosovo for nursing and activities workers at the Shtime/Stimlje Special Institute, Kosovo. Coordinated training with Vietnam Veteran's of America Foundation, War Child, and Doctors of the World.
- October 1999 "How are we doing? Program evaluation in therapeutic recreation" Pre-conference institute at the American Therapeutic Recreation Association 1999 Annual Conference, Portland OR. Co-presented with Linda Caldwell, Cynthia Carruthers, and Mark Widmer.
- May 1998 "Clinical in the community: The changing face of health & human service delivery." Half-day workshop presented for Therapeutic Recreation Section, Oregon Parks & Recreation Society, Salem, OR.
- April 1998 "Program evaluation & TR efficacy institute" Mid West Symposium on Therapeutic Recreation. Co-coordinated with David Compton, Mark Widmer & Gary Ellis.
- April 1998 "Benefits of Therapeutic Recreation: What can we say with confidence?" Half-day workshop for Therapeutic Recreation Section of Kentucky Parks & Recreation Society, Louisville, KY. Co-presented with Deborah Getz, CTRS.
- February 1998 "Connections through leadership" Day long workshop on situational leadership presented at Indiana Division of Parks and Reservoirs, 1998 Annual Meeting, Brown County State Park, Nashville, IN.
- April 1997 "Situational leadership." Day-long workshop presentation for Indiana University's Executive Development Program. Angola, IN.
- February 1997 "Workshop on professionalism." Teleconference originating at Indiana University, Bloomington, IN. Co-presented with Dr. David Austin.
- September 1996 "Research in Therapeutic Recreation." Day-long teleconference originating at Indiana University, Bloomington, IN. Co-presenter William Brechue.
- April 1995 Workshop for Eastern Region AHEC. "Measuring leisure and recreation well-being and quality of life among hospital patients", Lenoir Memorial Hospital, Lenoir NC, April 6 1995, Co-presenter Susan McGhee.

CONSULTATION:

- 2006-2008 Rehabilitation Therapy Consultant. Madison State Hospital. Madison IN
- 2003 Educational Consultant on “Portraits of Pioneers in Therapeutic Recreation: Parts I & II.” Produced by Indiana University Television.
- 1994-1995 Therapeutic Recreation Consultant, O'Berry Center (ICF-MR), Goldsboro NC.
- May 1994 "Dementia-specific activities" Workshop Presentation to Williamston-Martin County (NC) Alzheimer's Demonstration Grant volunteer training. Williamston NC

RESEARCH:

A. Research Projects (funded)

- 2015 “Identifying Determinants of Health Enhancing Physical Activity among Adults with Schizophrenia.” School of Public Health-Bloomington, Health Equity Seed Funding. \$25,000.00 (Co-PIs A. Chomistek & B. McCormick)
- 2013 “*Increasing Community Participation for Adults with Schizophrenia Spectrum Disorders.*” US Dept. of Education National Institute for Disability and Rehabilitation Research Field Initiated Research (2013 84.133G-1). (M. Salzer & G. Snethen, PIs: B. McCormick, Consultant)
- 2010 “Social context and schizophrenia in a changing system of services: The role of urbanization in the functioning of Serbians with schizophrenia.” Combined research & lecturing award, Fulbright Scholarship \$17,000.
- 2008 “Logistics Pilot of an Active Leisure Intervention for People with Schizophrenia.” Indiana University School of Health Physical Education and Recreation, Faculty Research Support Program. \$15,000 (B. McCormick, PI).
- 2006 “The application of ecological momentary assessment to assess the relationship of neurocognitive functioning, psychiatric symptoms and functional capacity to real-world social and physical activity in schizophrenia.” Indiana University Department of Recreation & Park Administration, Leisure Research Institute: School of HPER. \$5,100. (B. McCormick, PI)
- 2005 Examining logistics active leisure intervention for people with severe mental illness. Indiana University School of Health Physical Education and Recreation, Pilot Study Research Award. \$1,150 (B. McCormick, PI)
- 2005 Social Support and Companionship Among People with Mental Illness in Serbia. Indiana University Department of Recreation & Park Administration, Leisure Research Institute: School of HPER. Awarded \$1,793 (total project cost \$2,293).

- 2004 Subjective Experience and Physical Activity in the Life of Psychiatric Clients in Serbia. Indiana University Russian & East European Institute; Dept. of Recreation and Park Administration, Leisure Research Institute. Awarded \$3430.00 (total project \$3930.00)
- 2003 "Subjective Experience and Physical Activity in the Everyday Lives of Psychiatric Clients in Serbia." Indiana University President's Council on International Programs. Awarded \$500. (total project \$3930.00)
- 2003 "Subjective Experience and Physical Activity in the Everyday Life of Psychiatric Clients." Indiana University Multidisciplinary Ventures fund. \$4225.00
- 1998 "Museums as therapeutic agents: Toward individual and community health." Institute of Museum & Library Sciences. (Lois Silverman, Project Director; Bryan McCormick Co-Investigator) Awarded \$49,995.00
- 1997 "Examination of the characteristics of social support, companionship, and community functioning among clients with serious mental illness." National Therapeutic Recreation Society, Awarded, \$750.00
- 1996 "Social support and companionship among dually diagnosed veterans" Indiana University, Dept. of Recreation and Park Administration, Research funding. Awarded \$950.
- 1996 "Leisure in Social Life of People with Mental Illness & Substance Abuse Disorders." Indiana University, Research and the University Graduate School, Grant-in-aid of research. Awarded \$2,000.
- 1995 "An investigation of the relationships between leisure, social companionship, social support and well-being among people with substance abuse problems." School of Health and Human Performance Seed Grant. Awarded \$200.
- 1994 "Leisure in the Development and Maintenance of Social Support Networks Among People in Drug and Alcohol Rehabilitation" East Carolina University Vice Chancellor's Summer Research Stipend Award.
- 1991 Co-Investigator, "Parents' Perceptions of the Jaycee Camp Hope Summer Camp Experience" Clemson University Provost Research Award. Awarded \$2,500.

B. Research Proposals (reviewed but unfunded)

- 2014 "Environmental Enrichment Among Adults with Schizophrenia: Developing an environmental measurement protocol and establishing cognitive effects." Indiana Clinical and Translational Science Initiative. \$75,000 (B. McCormick & P. Lysaker, Co-PI).
- 2013 "Increasing motivation for valuing engagement." Indiana Clinical and Translational Science Initiative, Community Health Engagement Program. \$24,166. (B. McCormick & D. Ayer, Co-PI).

- 2013 “Pilot testing Family Battle Buddies Program.” National Institute of Child Health and Development. \$429,000 (B. McCormick, Investigator).
- 2009 “Active Leisure: A pilot study to increase active engagement in leisure among people with schizophrenia.” National Institute of Mental Health (R34; Revision & resubmission). \$650,000. (B. McCormick PI)
- 2006 “Active Leisure: A pilot study to increase active engagement in leisure among people with schizophrenia.” National Institute of Mental Health (R34; Scored 248, percentile 54.1). \$650,000. (B. McCormick PI)
- 2006 “The application of ecological momentary assessment to assess the relationship of neurocognitive functioning, psychiatric symptoms and functional capacity to real-world social and physical activity in schizophrenia.” Indiana University Faculty Research Support Program. \$81,000. (B. McCormick, PI)
- 2003 “Leisure functioning in adaptation to mental illness.” National Institute of Mental Health (R03). \$71,461.
- 2000 “Incorporating leisure into treatment planning and community adaptation.” Support project (B. McCormick, PI) included in proposal to National Institute of Mental Health for “Midwest Center for Mental Health Services Research,” Bernice A. Pescosolido, PI. Proposed funding for Center Grant, \$4,300,000.
- 1996 “Application of the Theory of Planned Behavior to Physical Activity and Persons with Psychiatric Disorders” National Institute of Disability and Rehabilitation Research (NIDRR). Coinvestigator David Austin. Proposed funding \$500,000.
- 1996 “The Efficacy of a Therapeutic Recreation Intervention to Facilitate Community Reintegration Among Dually Diagnosed Veterans” American Therapeutic Recreation Foundation. Proposed funding \$5,000.

TEACHING RELATED ACTIVITIES

A. Courses Taught

Course Title	Semesters Taught	Average Enrollment	Semesters On-line
Indiana University			
<u>Undergraduate</u>			
Y378- Techniques in Recreational Therapy (3cr)	7	28	2
Y472 – Rec. Ther. In Health Care Environ. (3cr)	12	35	2
<u>Graduate</u>			
R510- Philosophy of Leisure (3 cr)	8	28	6
R512- Admin. theory & Mgt practices in RPTS(3cr)	3	16	2
Y560- Professional Dev. in Therapeutic Recreation (3cr)	12	9	4
Y561- Advanced Therapeutic Recreation Processes (3cr)	3	8	
Y562- Social Psychology of Ther. Recreation (3cr)	3	25	2
Y563- Program Dev. & Consultation in Ther. Rec. (3cr)	7	15	3
R515- Assessment in Therapeutic Recreation (3cr)	1	8	1
R515- Clinical Practices in Therapeutic Recreation (3cr)	1	8	1
R515- Foundations of Intervention in Ther Rec (3cr)	3	12	3
T590 Research in HPER (3cr)	2	30	1
T591- Interpretation of Data in HPER (3cr)	5	18	5
R701 Social Psychology of Leisure (3cr)	4	12	
R702 Higher Education in RPTS (3cr)	2	8	

B. Courses Supervised

Course Title
<u>Undergraduate</u>
R250- Introduction to Equine Assisted Activities
R277- Introduction to Therapeutic Recreation (3 cr)
R363- Professional Internship (14 cr)
R379- Clinical Practice in Therapeutic Recreation (3cr)
R399- Practicum in Recreation & Parks (1 cr)
R499- Research in Recreation (1-3 cr)
R641- Readings in Therapeutic Recreation

R640- Independent Study & Research

R642- Internship in Therapeutic Recreation

C. Doctoral Dissertation Committee (Chair)

- Shay Dawson “Social network analysis of a year-round mentoring program for youth with physical disabilities attending a medical camp.” Defended April 2018
- Shinichi Nagata “Leisure and recurrence of depression: identification of the role of leisure-generated resources, physical activity, and sense of coherence.” Defended May 2017.
- Susan Barnett “Social network analysis of identity formation and substance use in the first year transition to college.” Defended April 2017.
- Cara Gray “Service Planning: Processes Recreational Therapists Use When Working with Adolescents & Young Adults with Autism Spectrum Disorder.” Defended June 2015
- Rebecca Gilbert “Equine Assisted Psychotherapy: The Lived Experience.” Defended April 2013.
- Steven Lewis “Leisure-Focused Critical Events Analyses of Transmasculine Narratives.” Defended December 2011.
- Gretchen Snethen “Self Determination and Social Participation: A Pilot Study” Defended September 2010
- Jackson Wilson “Creating a Self-Administered Internet Based Instrument for Job Embeddedness in the Adventure Education Context” Dissertation Defense January 2010 (Co-chaired with Alan Ewert)
- Jyong-Hyeong Kim “Development of a scale to measure memorable tourism experience. Dissertation defense June 2009.
- Byunggook Kim “A Conceptual Framework for Leisure and Subjective Well-Being.” Dissertation Defense Mar 2009.
- Jinmoo Heo “Daily experience of serious leisure, flow and subjective well-being of older adults” (co-chaired with Y. Lee) Dissertation defense 2007.
- Neil Lundberg “Development of Self-Determined Behavior: The Role of Adaptive Sports and Recreation.” Dissertation defense June 2006.
- Janet Funderburk “Understanding stigma in children with a disability: Does child attitude mediate the relationship between stigma and mental health outcomes?” Dissertation Defense June 2003
- Heewon Yang “Examination of leisure boredom, personal characteristics and family satisfaction as predictors of aggressive behavioral tendencies of university students.” Dissertation Defense April 2002. (Co-chaired with David Austin).
- Ramon Zabriskie "An examination of family and leisure behavior among families with middle-school aged children." Dissertation Defense, June, 2000. (Co-chaired with David Austin).

D. Doctoral Dissertation Committee (member)

Proposed

Lauren Luther “Mobile Enhancement of Motivation in Schizophrenia: A Pilot trial of a Personalized Text Message Intervention for Motivation Deficits” Proposed February 2016 (IUPUI, Dept. of Psychology)

Chien-Tsung Lee, Ph.D candidate in human performance, Dissertation proposal May 2007

Defended

- Dohyun Lee “Examination of associations between leisure physical activity and psychological distress as multidimensional constructs within two theoretical approaches.” Defended May 2017

INTERNATIONAL EXPERIENCE

- 2017 Tuzla, Bosnia and Herzegovina. Fulbright Scholar Combined Research Lecturing Award (7164).** Fall 2017 & June 2018. *Identifying factors supporting strong self-advocacy among users of mental health services in Bosnia and Herzegovina and the benefits of community participation.* This project is housed and conducted through the Faculty of Medicine, Department of Psychiatry at the University of Tuzla. The research component of this project is focused on identifying factors supporting highly functional users' associations (korisničkih udruženja) of people with mental disorders in the BiH community mental health system and the supports needed from service providers. and conversely the functional health challenges related to inactivity and social isolation. The lecturing component of this project will provide lectures on the research evidence supporting the health and functional benefits of social and community participation.
- 2010 Kragujevac Serbia. Fulbright Scholar Combined Research/Lecturing Award** Fall 2010 assigned to the Faculty of Medicine, University of Kragujevac, Kragujevac Serbia. Research project title: "Social context and schizophrenia in a changing system of services: The role of urbanization in the functioning of Serbians with schizophrenia." The research component of this project entailed the collection of data to examine social integration and psychosocial functioning among people with schizophrenia in three different levels of urbanized settings in Serbia. The lecturing component involves the delivery of lectures to medical and nursing students related to obesity, health and psychosocial functioning of people with severe mental illness.
- 2007 Hameenlinna Finland. Instructor,** International Summer School, Centre for Education and Research on Well-Being, HAMK University of Applied Sciences. Taught week-long block course on the use of social psychological theory as a foundation for social service practice.
- 2003 Pristina Kosovo. Training Consultant** for Doctors of the World (DOW). Provided training and information to personnel working in DOW's deinstitutionalization project.
- 2002 Pristina Kosovo. Internship** with International Organization for Migration (IOM), Psychosocial Trauma Response Programme. Developed and implemented training program in therapeutic use of activities at the Sthime Special Institution in Sthime, Kosovo.
