

CURRICULUM VITA

Bryan P. McCormick

Department of Rehabilitation Sciences

1700 N. Broad Street, Suite 304C

Philadelphia, PA 19122

(215) 204-6817

e-mail: bryan.mccormick@temple.edu

ORCID: <https://orcid.org/0000-0003-1017-8868>

CURRENT POSITION:

Professor, Department of Health and Rehabilitation Sciences, Temple University

EDUCATION:

Ph.D., Parks Recreation and Tourism Management

Clemson University

M.S., Recreation and Parks; Emphasis in Therapeutic Recreation

The Pennsylvania State University

B.S., Recreation and Parks; Emphasis in Therapeutic Recreation

The Pennsylvania State University

POSITIONS AND EMPLOYMENT

2017-present **Professor**- Dept. of Health & Rehabilitation Sciences, Temple University,
Philadelphia, PA

2011-2017 **Professor** - Dept Rec., Park & Tourism Studies, Indiana University, Bloomington
IN.

2001-2011 **Associate Professor**- Dept Rec., Park & Tourism Studies, Indiana University,
Bloomington IN.

1995-2001 **Assistant Professor**- Dept of Recreation & Park Admin, Indiana University,
Bloomington IN.

1993-1995 **Assistant Professor**- Dept of Rec & Leisure Studies, East Carolina University,
Greenville NC.

1989-1993 **Graduate Assistant**- Dept. of Parks, Recreation & Tourism Studies, Clemson
University, Clemson SC.

1988-1989 **Graduate Assistant**- Dept. of Leisure Studies. Penn State University, University
Park, PA.

1986-1988 **Therapeutic Recreation Specialist**- The Meadows Psychiatric Center, Centre Hall,
PA.

D. Selected Recent Abstracts & Conference Proceedings (total of 59)

1. McCormick, B. P., Brusilovskiy, E., Nagata, S., Townley, G., Snethen, G., & Salzer, M. S. (2021, November) Feelings of acceptance and the experience of loneliness among adults with serious mental illnesses. American Public Health Association, Annual Meeting and Expo (Denver, CO & Virtual).

2. Snethen, G., Brusilovskiy, E., McCormick, B., Thomas, E., Townley, G., Nagata, S., & Salzer, M. (2021, November) Impact of activity on transitory mood states of individuals with serious mental illnesses. American Public Health Association, Annual Meeting and Expo (Denver, CO & Virtual).
3. Brusilovskiy, E., Snethen, G., Klein, L., McCormick, B., & Salzer, M. (2020, October). Community mobility and participation are associated with greater physical activity among individuals with schizophrenia-spectrum disorders. American Public Health Association, Annual Meeting and Expo (Virtual).
4. Brusilovskiy, E., Klein, L., Townley, G., Snethen, G., McCormick, B., & Salzer, M. (2020, October). Relationship between community affordances and community participation of individuals with serious mental illnesses. American Public Health Association, Annual Meeting and Expo (Virtual).
5. Brusilovskiy, E., Snethen, G., Nagata, S., Townley, G., McCormick, B., Klein, L., & Salzer, M. (2020, October). Impact of physical activity and its perceived importance on transitory mood and well-being of individuals with serious mental illnesses. American Public Health Association, Annual Meeting and Expo (Virtual).
6. Brusilovskiy, E., Klein, L., McCormick, B., Townley, G., Snethen, G., & Salzer, M. (2019, November). Community mental health center as a community participation affordance: Comparing visit days and non-visit days. American Public Health Association, Philadelphia, PA.
7. McCormick, B., Brusilovskiy, E., Snethen, G., Salzer, M., Klein, L., & Townley, G. (2019, November). Getting out of the house: The role of community participation in supporting health and function in adults with SMI. American Public Health Association, Philadelphia, PA.
8. Brusilovskiy, E., Klein, L., Wilson, S., Snethen, G., Townley, G., McCormick, B., Zisman-Ilani, Y., & Salzer, M. (2018, November) Impact of physical environment on well-being and mood of individuals with serious mental illnesses. American Public Health Association, San Diego, CA.
9. Salzer, M., Brusilovskiy, E., Wilson, S., Snethen, G., McCormick, B., Zisman-Ilani, Y., & Townley, G. (2018, November). Associations between transitory mood, location and activity: Results from an Ecological Momentary Assessment study of individuals with serious mental illnesses. American Public Health Association, San Diego, CA.
10. McCormick, B. P., Arnaez, J., & Chomistek, A. (2018, September). Physical Activity and Psychiatric Symptoms in Loneliness Among Adults with Schizophrenia. American Therapeutic Recreation Association Research Institute. Grand Rapids, MI.

PROFESSIONAL PRESENTATIONS:

A. Recent Invited Presentations (total of 60)

1. McCormick, B. P. & Salzer M. S. (2021, August 5). *Never Being Sought after by Anyone or Anything: Social Isolation and Loneliness Among Adults with Serious Mental Illnesses*. Seminar Series on Social Isolation and Loneliness among Adults with Disabilities by the National Institute on Disability, Independent Living, and Rehabilitation Research.
2. McCormick, B. P. (2021, March). Community inclusion: A keystone to community living. North Carolina In-Reach Professional Development Conference (Online- Live).

3. McCormick, B., & Denmeade, M. (2019, September). Updates to the Inpatient Rehabilitation Facility Prospective Payment System (IRF PPS). American Therapeutic Recreation Association Annual Conference. Reno, NV.
4. McCormick, B. P., & Susic, B. (2019, March). *Neuroplasticity and Mental Health Protection*. Plenary address, Tuzla Brain Week. Sponsored by the Faculty of Medicine, University of Tuzla, Tuzla Bosnia & Herzegovina.
5. McCormick, B. P. (2019, May). *Community participation as a medical necessity*. Riksförbundet för Social och Mental Hälsa (National Association for Social and Mental Health) Congress. Sodertalje, Sweden.
6. McCormick, BP. (2017, December). *Community participation as a model of environmental enrichment: Implications for cognition, learning and well-being*. Presented at half-day workshop on "Supporting Community Participation for Adults with Psychiatric Disabilities" for staff and students of the Tuzla Psychiatric Clinic. Tuzla, Bosnia & Herzegovina.
7. McCormick, BP. (2017, December). *Community participation as environmental enrichment: Translating animal models to human interventions*. Invited presentation at Community Participation and Adults with Psychiatric Disability symposium sponsored by TK Feniks, mental health users' association. Sarajevo, Bosnia & Herzegovina.
8. McCormick, BP. (2016, November). *Recreational therapy: Using sport and physical activity as a basis for rehabilitation*. Invited presentation at the 14th International Sports Sciences Congress, Antalya, Turkey.
9. McCormick, BP. (2015, November). *Recreational therapy as a rehabilitation approach*. Invited presentation to students and staff of Faculty of Special Education and Rehabilitation, University of Belgrade, Serbia.
10. McCormick, BP. (2015, June). *Physical activity and cognitive function: The role of physical activity in brain health and function*. 2nd International Conference on Sports and Health, Guangzhou, China.

B. Recent Peer Reviewed Presentations (total of 48)

1. Dawson, S., McCormick, B., Tamas, D., Stanojevic, C., Bowen, A., McIntire, J., & Eldridge, L. (2019, September). Effect of a manualized equine assisted therapy intervention for adolescents & young adults with moderate to severe autism spectrum disorder in Serbia & USA. Research Symposium at the American Therapeutic Recreation Association Annual Conference. Reno, NV.
2. McCormick, B. P., Arnaez, J., & Chomistek, A. (2018, September). Physical Activity and Psychiatric Symptoms in Loneliness Among Adults with Schizophrenia. American Therapeutic Recreation Association Research Institute. Grand Rapids, MI.
3. Snethen, G., & McCormick, B. P. (2018, September). Social recreation, anhedonia and loneliness among adults with schizophrenia. American Therapeutic Recreation Association Research Institute. Grand Rapids, MI.
4. Nagata, S., McCormick, B., & Piatt, J. (2018, September). Extraversion moderates relationship between companionship leisure coping and depressive symptoms. American Therapeutic Recreation Association Research Institute. Grand Rapids, MI.
5. Brusilovskiy, E., Klein, L., Wilson, S., Snethen, G., Townley, G., McCormick, B., Zisman-Ilani, Y., & Salzer, M. (2018, November) Impact of physical environment on well-being and mood of individuals with serious mental illnesses. American Public Health Association, San Diego, CA.

6. Salzer, M., Brusilovskiy, E., Wilson, S., Snethen, G., McCormick, B., Zisman-Ilani, Y., & Townley, G. (2018, November). Associations between transitory mood, location and activity: Results from an Ecological Momentary Assessment study of individuals with serious mental illnesses. American Public Health Association, San Diego, CA.
7. McCormick, B. P., & Snethen, G. (2013, November). Symptoms and Functional Capacity as Determinants of Physical Activity and Body Composition in Adults with Schizophrenia. American Public Health Association, 141st Annual meeting & exposition. Boston, MA. (Poster)
8. Lewis, S. T., & McCormick, B. P. (2013, October). Rewriting gender: Transmasculine narratives of leisure performance. Paper presented at the 2013 National Recreation & Park Association Congress, Leisure Research Symposium, Houston, TX.
9. McCormick, B. P. (2013, September). The role of physical and social activation in cognitive dysfunction. Paper presented at the American Therapeutic Recreation Association Annual Conference, Pittsburgh, PA.
10. McCormick, B. P., Frey, G. C., Snethen, G. & Smith, R. (2012, October). Is some physical activity better than none? Examining everyday lives in adults with schizophrenia spectrum disorders. American Public Health Association, 140th Annual meeting & exposition. San Francisco, CA. (Poster)

C. Recent Contributed or Competitive Presentations (total of 70)

1. McCormick, B. P. (2021, April). *A different kind of prom: Employing patient-reported outcomes measures (PROMs) in recreational therapy practice*. Temple University Recreational Therapy Evidence-Based Practice Day Conference.
2. McCormick, B. P. (2021, April). *Community inclusion and participation as a medical necessity*. Iowa Inclusive Therapeutic Recreation Association.

7. McCormick, B. P., & Snethen, G. (2018, September). *Applying a transdiagnostic perspective to recreational therapy practice in behavioral health*. Presentation at the American Therapeutic Recreation Association Annual conference. Grand Rapids, MI.
8. McCormick, B. P., & Snethen, G. (2018, April). *Applying a transdiagnostic perspective to recreational therapy practice in behavioral health*. Presentation at the Temple University Evidence Based Practice day. Philadelphia, PA.
9. McCormick, B. P., & Snethen, G. (2018, March). *Applying a transdiagnostic perspective*

- to recreational therapy practice in behavioral health.* Presentation at the Southeast Recreational Therapy Symposium. Williamsburg, VA.
10. McCormick, B. P. (2017, July). *Community participation as a model of environmental enrichment.* TU Collaborative Summer Institute on Community Inclusion. Philadelphia, PA.

F. Recent Workshops, & Institutes (total of 20)

- December 2019 *Developing community inclusion social marketing and promotion plans.* Pre-conference workshop. I2i Center for Integrative Health 2019 Conference and Exhibition. Pinehurst, NC. Presenters: McCormick, B., & Salzer, M.
- May 2019 *Community Inclusion as a Medical Necessity: Supporting Community Participation.* Workshop for Alliance Health, Inc. supporting providers in Transitions to Community Living Initiative (TCLI). Raleigh, NC. Presenters: Swabe, L., Salzer, M., McCormick, B., & Moser, L.
- February 2019 *Community Inclusion as a Medical Necessity: The Community Inclusion and Participation Initiative.* Workshop for Alliance Health, Inc. supporting provider leadership in Transitions to Community Living Initiative (TCLI). Raleigh, NC. Presenters: Swabe, L., Salzer, M., McCormick, B., & Moser, L.
- September 2018 *Community Inclusion 101.* Workshop presentation for Alliance Behavioral Healthcare. Raleigh, NC. Presenters: Salzer, M., & McCormick, B.
- December 2017 *Supporting community participation for adults with psychiatric disabilities.* Half-day workshop for staff and students of the Tuzla Psychiatric Clinic, Tuzla, Bosnia & Herzegovina.

RESEARCH:

A. Recent Funded Research Projects

- 2021 *Being Needed: Building Social Connections that Matter to Reduce Social Isolation and Loneliness* (90DPCP0011-01-00). National Institute on Disability, Independent Living and Rehabilitation Research. (PI- B. McCormick). This Disability and Rehabilitation Research Project (DRRP) involves three research projects as well as dissemination and utilization activities in support of development and testing of an intervention to reduce social isolation and loneliness among adults with serious mental illness.
- 2018 *Rehabilitation Research and Training Center on Community Living and Participation of Individuals with Serious Mental Illnesses* (90RT5021-02-01). National Institute on Disability, Independent Living and Rehabilitation Research. (PI – M. Salzer, Co-I- B. McCormick). This center involves 7 research studies and a number of training and technical assistance activities. In relation to the proposed project, I am serving as a PI on a research project to identify the role of environmental and neurocognitive factors contributing to community participation, and co-PI on an intervention project to support parents with serious mental illness.
- 2015 *Identifying Determinants of Health Enhancing Physical Activity among Adults with Schizophrenia.* School of Public Health-Bloomington, Health Equity Seed Funding. \$25,000.00 (Co-PIs A. Chomistek & B. McCormick)

TEACHING RELATED ACTIVITIES

A. Courses Taught

Temple University

Graduate

Graduate Research I (3cr)
Recreational Therapy Administration & Management (3cr)
Evidence-based Practice I (3cr)
Evidence-based Practice II (3cr)

Indiana University

Undergraduate

Techniques in Recreational Therapy (3cr)
Recreational Therapy in Health Care Environment (3cr)

Graduate

Philosophy of Leisure (3 cr)
Administrative Theory & Management practices in RPTS (3cr)
Professional Development in Therapeutic Recreation (3cr)
Advanced Therapeutic Recreation Processes (3cr)
Social Psychology of Therapeutic Recreation (3cr)
Program Dev. & Consultation in Therapeutic Recreation (3cr)
Assessment in Therapeutic Recreation (3cr)
Clinical Practices in Therapeutic Recreation (3cr)
Foundations of Intervention in Therapeutic Recreation (3cr)
Research in HPER (3cr)
Interpretation of Data in HPER (3cr)
Social Psychology of Leisure (doctoral) (3cr)
Higher Education in RPTS (doctoral) (3cr)

B. Courses Supervised

Temple University

Undergraduate

Junior Internship in Recreational Therapy (3cr)
Independent Study in Recreational Therapy (3cr)

Indiana University

Undergraduate

Introduction to Equine Assisted Activities
Introduction to Therapeutic Recreation (3 cr)
Professional Internship (14 cr)
Clinical Practice in Therapeutic Recreation (3cr)
Practicum in Recreation & Parks (1 cr)
Research in Recreation (1-3 cr)

Readings in Therapeutic Recreation
 Independent Study & Research
 Internship in Therapeutic Recreation

C. Graduate Dissertation & Thesis Committees

Chair- 15 Doctoral dissertation committees
 Member- 32 Doctoral dissertation committees
 Chair- 4 Master's thesis committees
 Member- 6 Master's thesis committees

INTERNATIONAL EXPERIENCE

- 2017-18 Tuzla, Bosnia and Herzegovina. Fulbright Scholar** Combined Research Lecturing Award (7164). Fall 2017 & June 2018. *Identifying factors supporting strong self-advocacy among users of mental health services in Bosnia and Herzegovina and the benefits of community participation.* This project is housed and conducted through the Faculty of Medicine, Department of Psychiatry at the University of Tuzla. The research component of this project is focused on identifying factors supporting highly functional users' associations (korisničkih udruženja) of people with mental disorders in the BiH community mental health system and the supports needed from service providers. ation and conversely the functional health challenges related to inactivity and social isolation. The lecturing component of this project will provide lectures on the research evidence supporting the health and functional benefits of social and community participation.
- 2010 Kragujevac Serbia. Fulbright Scholar** Combined Research/Lecturing Award Fall 2010 assigned to the Faculty of Medicine, University of Kragujevac, Kragujevac Serbia. Research project title: "Social context and schizophrenia in a changing system of services: The role of urbanization in the functioning of Serbians with schizophrenia." The research component of this project entailed the collection of data to examine social integration and psychosocial functioning among people with schizophrenia in three different levels of urbanized settings in Serbia. The lecturing component involves the delivery of lectures to medical and nursing students related to obesity, health and psychosocial functioning of people with severe mental illness.
- 2007 Hameenlina Finland. Instructor**, International Summer School, Centre for Education and Research on Well-Being, HAMK University of Applied Sciences. Taught week-long block course on the use of social psychological theory as a foundation for social service practice.
- 2003 Pristina Kosovo. Training Consultant** for Doctors of the World (DOW). Provided training and information to personnel working in DOW's deinstitutionalization project.
- 2002 Pristina Kosovo. Internship** with International Organization for Migration (IOM), Psychosocial Trauma Response Programme. Developed and implemented training

program in therapeutic use of activities at the Sthime Special Institution in Shtime, Kosovo.

PROFESSIONAL SERVICE ACTIVITIES

A. External Reviews

Promotion & Tenure Reviews (16 institutions)
 Program Reviews (6 institutions)
 Scholarship Reviews (2 international panels)
 Research Proposal Reviews (3 ad hoc panels)

B. Book/Article Reviews:

McCormick, B. P. (2019). Review of The Schizophrenia Spectrum. *American Journal of Psychiatric Rehabilitation*.

McCormick, B. P. (1999). Review of the book *Perspectives in recreational therapy: Issues of a dynamic profession*. *Schole*, 14,169-175.

Ad hoc manuscript reviews (26 different journals)

C. Selected Service to the Academy:

i. Administrative Service

Interim Recreational Therapy Program Director, Department of Health & Rehabilitation Sciences, Temple University. Philadelphia, PA. 2021-2022.

Interim Department Chair, Department of Rehabilitation Sciences, Temple University, Philadelphia, PA. 2018-2019

ii. Service to Faculty Governance

Department of Health & Rehabilitation Sciences, College of Public Health, Temple University

MSRT Committee 2017-20

Pre-Tenure Review Committee 2017-20

Non-Tenure Track Promotion Committee 2020

College of Public Health, Temple University

Interprofessional Education Committee 2017-2020 (Chair, 2019-2020)

Promotion and Tenure Committee, 2019-2021

Merit Review Committee, 2019-2020

Temple University

International Affairs Committee, 2019-2020

Faculty Senator (CPH representative, elected) 2021-2023

Fulbright Campus Committee (2020-2022)

D. Selected Service to the Profession

American Therapeutic Recreation Foundation, President, 2007-2008

American Therapeutic Recreation Association

Past-President, American Therapeutic Recreation 2006-2007

Board of Directors, American Therapeutic Recreation Association, 2001-2003

Academic Affairs Committee (Co-chair), American Therapeutic Recreation Association, 1997-1998; 1999-2001; 2018-2019.

WHO/ICF Committee (Co-Chair). American Therapeutic Recreation Association, 2018-2019.

Research Committee (Mental Health Treatment Network Liaison), American Therapeutic Recreation Association, 1995-1998.

North American Collaboration on Recreational Therapy Education, American Therapeutic Recreation Association representative, 2018-2020.

Committee on Accreditation of Recreational Therapy Education (CARTE)

Chair, 2015-2017

Vice-Chair, 2012-2015

AWARDS:

- 2015 Delta Omega, Public Health Honor Society
- 2014 Distinguished Fellow, American Therapeutic Recreation Association
- 2013 Presidential Award, American Therapeutic Recreation Association
- 2013 Fellow, National Academy of Recreation Therapy
- 2011 Fellow, Academy of Leisure Sciences
- 2008 *Centennial Leader*. Department of Recreation and Leisure Studies, East Carolina University.
- 2005 *David R. Austin Member of the Year*. Recreation Therapists of Indiana.
- 2001 *Scholarly Achievement Award*, American Therapeutic Recreation Association
- 2000 *Teaching Excellence Recognition Award*, Indiana University
- 1999 *Certificate of Recognition*, American Therapeutic Recreation Association
- 1999 *Teaching Excellence Recognition Award*, Indiana University
- 1990- 1991 *MacDonald Graduate Fellow*. Clemson University, Clemson SC.

PROFESSIONAL CERTIFICATIONS

National Council for Therapeutic Recreation Certification, Therapeutic Recreation Specialist; Professional Level.

PROFESSIONAL MEMBERSHIPS

- Academy of Leisure Sciences
- American Therapeutic Recreation Association
- Coalition to End Social Isolation and Loneliness (CESIL)
- Movement for Global Mental Health
- New Jersey/Eastern Pennsylvania Therapeutic Recreation Association
