HONORS & AWARDS

- **University of Utah Translational Hypertension Symposium (UUTHS) Early Stage Investigator Travel Award and Scholar** (September 2018) – Travel stipend to the UUTHS and mentored workshop on use of Jackson Heart Study data.
- **American Heart Association Council on Epidemiology and Prevention Minority Travel Grant** (March 2018) – Travel stipend to attend AHA/EPI 2018. Award based on research impact and productivity among junior faculty.
- **Fellow, PRogram to Increase Diversity among Individuals Engaged in Cardiovascular Health-Related Research (PRIDE-CVD)** (July 2017 – July 2018) – Competitive program designed to broaden the demographic profile of medical research by training junior scientists from underrepresented minority backgrounds and those with disabilities.
- **UAB Office of Postdoctoral Education Career Enhancement Award** (February 27th – March 4th, 2017) – Competitive funding for career and professional development. This award was used to attend a one on one training session with Dr. Andrew Moran at Columbia

University on the use of the Cardiovascular Disease Policy Model, a tool designed to conduct policy simulation and cost-effectiveness analyses.

- **Fellow, 42nd American Heart Association Ten-Day Seminar on the Epidemiology and Prevention of Cardiovascular Disease** (July 24th – August 5th, 2016) - Designed to provide training in descriptive epidemiology, quality of care and outcomes research, genetic epidemiology, policy, and environmental approaches to health related to the promotion of cardiovascular health and prevention of heart disease and stroke.
- **Outstanding Doctoral Student Award, University of Alabama at Birmingham School of Public Health** (2016) - By the criteria of the School of Public Health, outstanding students excel in scholarship, leadership, contribution to the research literature in public health, community service and/or overall contribution to the field of public health and to the School of Public Health.
- **Delta Omega Honor Society in Public Health** (Inducted 2016) – Selective induction is based upon outstanding performance in scholarship, teaching, and community service in the public health arena.
- **Disability Support Services Outstanding Faculty Award** (Fall 2012 semester) - presented during the Fall and Spring semesters to a UAB faculty member who is dedicated to promoting an inclusive classroom, values diverse learning styles and abilities, challenges and supports students with disabilities, and believes in working with all students.
- **National Research Services Award (NRSA) AHRQ T-32 Comparative Effectiveness and Outcomes Pre-Doctoral Research Fellowship Recipient** (Fall 2010 – Fall 2013) - mentored research training program supported by the Agency for Healthcare Research and Quality (AHRQ) and Institutional NRSA.
- **Swarthmore College National Thomas B. McCabe Scholarship** (1999-2003) - National recipient of one of two Thomas B. McCabe national scholarships to Swarthmore College. Selections are based on achievement and leadership, with emphasis placed on ability, character, personality, and service to the school and community.

GRANTS, CONTRACTS & FUNDED RESEARCH

Current Research Support

Project Title: *Machine Learning to Reduce Hypertension Treatment Clinical Inertia* (06/01/2020 – 05/31/2025). Funded by National Heart, Lung, and Blood Institute grant number 1K01HL151974-01 (Total Funding: \$738,510). Role: **Principle Investigator**

Project Title of Supplement: *Psychopathology, Disordered Eating, and Impulsivity as Predictors of Hypertension and Diabetes Prevalence and Control and Health Services Utilization Following Bariatric Surgery* (08/01/2018 – 07/31/2020). Funded by NIH/NIDDK Administrative Supplement 3R01DK108628-05S1 (PI: David Sarwer) (Total Funding: \$221,425). Role: **Supplement Principle Investigator**

Completed Research Support

Project Title: *An Intervention to Address Racial Bias in non-Physician Healthcare Staff* (Fall 2013-May 2015). PI: Andrea Cherrington. Funded by National Institutes of Health, under grant number 1R21HL113746-01A1 (Total Funding: \$404,200) Role: **Program Administrator/Investigator**

Project Title: *Healthcare Staff Implicit Attitudes Study* (Fall 2012 – present). PI: **Gabriel Tajeu**. Funded by UAB School of Public Health Back of the Envelope Award (Total Funding: \$5,000) Role: **Primary Investigator**

Project Title: *Tobacco Policies, Prenatal Smoking, and Infant & Child Outcomes* (2012-2015). PI: Dr. Bisakha Sen. Funded by National Institutes of Health, under grant number 1R03HD062941-01A2 Role: **Graduate Assistant**

Project Title: *ALL Kids Special Projects in Health Services Research*. (2009-2011). PI: Dr. Nir Menachemi. Funded by ALL Kids, Alabama's State Child Health Insurance Plan (SCHIP) through Federal matching funds (Total Funding: \$310,462) Role: **Graduate Assistant**

Project Title: *Quality of Care for Head and Neck Cancer: Planning Grant for Multi-Investigator Programs* (July 2010-June 2011). PI: Dr. Julie Locher. The purpose of this grant is to facilitate multi-disciplinary collaboration that will facilitate submission of a program project grant application to the National Institutes of Health. Funded by the UAB Department of Medicine (Total Funding \$14,000) Role: **Program Coordinator**

ADDITIONAL GRANT WRITING EXPERIENCE

P01 Program Project Grant. PI: Dr. Julie Locher. *Quality of Care for Head and Neck Cancer*. NIH Grant (not funded)

ACADEMIC/COMMUNITY SERVICE

Temple University Epidemiology and Biostatistics Faculty Search Committee (Fall 2017 – present)

External department member of a search committee for between six and eight tenure track faculty hires in the Department of Epidemiology and Biostatistics.

Temple University Health Services Administration and Policy Department Chair Search Committee (Fall 2018 – Winter 2020)

Temple University Health Services Administration and Policy Non-Tenure Track Faculty Search Committee (Winter 2018 – Spring 2018)

National Association of Health Services Executives Health Career Academy Volunteer (Spring 2018)

Aims to bring to the classroom a team of health care professionals, physicians, public health educators, school administrators, teachers, and students. Its mission is to provide mentorship, engaging health curriculum, and exposure to health careers to high school students from low-income, underrepresented minority communities.

Tajeu Future Community Leaders Scholarship – Established 2012. Description: “Mr. Gabriel Tajeu, an Auburn High School graduate, established the *Gabriel Tajeu Future Community Leaders Scholarship* in 2012 in an effort to give back to the Auburn community and in thankfulness for the education received in The Auburn City Schools. This scholarship is designed to assist academically successful students coming from a socioeconomically challenged background. The scholarship is intended to be put towards ancillary costs of attending college (i.e., books, the purchase of a laptop, etc.). Preference will be given to students who show a commitment to social justice and intend to pursue a career in public health or other academic fields geared towards the identification and improvement of socioeconomic and race-based disparities. Students should be able to demonstrate academic achievement as well as financial hardship. This scholarship gift will be awarded in the amount of \$350.00.”

Student Mentoring Activities
Temple University

Tirzah Shephard (2018 – present) – Undergraduate applying for a Fulbright US Student Program application. I assisted her with critical revisions and methods to her application based on my expertise in implicit bias and healthcare disparities research. She is now a semifinalist for the award.

Jack Castonguay (2018 – present) – Master's degree student preparing a systematic review under my guidance.

Hamlet Gasoyan (2018 – present) – Doctoral student preparing manuscripts for publication. I am providing mentorship as a coauthor.

Emily Johnson (2019 – present) – Master's degree student preparing a systematic review under my guidance.

Mason Buccilla (2019 – present) – Master's degree student preparing a systematic review under my guidance.

Shane Janick (2019 – present) – Master's degree student preparing a systematic review under my guidance.

University of Alabama at Birmingham

Served as an unofficial mentor for students in the Health Care Organization and Policy department's master's and DrPH programs as well as the Health Services Administration PhD program. Mentoring topics include manuscript preparation, career guidance, and general academic guidance.
