

CURRICULUM VITAE
Gretchen Snethen, PhD, CTRS
Rehabilitation Sciences

Address: Rehabilitation Sciences
Temple University
1700 N. Broad, Suite 304
Philadelphia, PA 19122
Telephone: 215-204-2748 (O)
215-913-2819 (C)
e-mail: gsnethen@temple.edu

EDUCATION

2010 Ph.D. Leisure Behavior, Indiana University
Minor: Social Science Approach to Health and Healing Systems
2007 M.S., Recreational Therapy Administration, East Carolina University
2004 B.A., English, The University of Kansas

ACADEMIC APPOINTMENTS

2017-present Associate Professor: Rehabilitation Sciences, College of Public Health, Temple University
2011-2017 Assistant Professor: Rehabilitation Sciences, College of Public Health, Temple University
2010-2011 Assistant Professor: Recreation and Leisure Studies Department, College of Health and Human Performance, East Carolina University
2007-2010 Associate Instructor: Research Assistant: Department of Recreation, Park and Tourism Studies, College of Health, Physical Education and Recreation, Indiana University
2005-2007 Graduate Assistant; Recreation and Leisure Studies Department, College of Health and Human Performance, East Carolina University

CLINICAL & ADMINISTRATIVE POSITIONS

2016-present **MSRT Program Coordinator:** Temple University, Department of Rehabilitation Sciences
2013-present **Assistant Director:** Temple University Collaborative on Community Inclusion of Individuals with Psychiatric Disabilities
2006-2007 **Program Coordinator:** Horizons Day Treatment, Department of Recreation and Leisure Studies, East Carolina University, Greenville, NC.
2005-2006 **Assistant Program Coordinator:** Horizons Day Treatment, Department of Recreation and Leisure Studies, East Carolina University, Greenville, NC.
2004-2005 **Para-Educator:** Tallgrass Student Learning Center, Topeka, KS.
2003-2005 **Project COPE Director:** Boy Scouts of America, Jayhawk Area Council, Topeka, KS.
(Summers)

2002-2004 **Outdoor Pursuits Program Manager:** Recreation Services, University of Kansas, Lawrence, KS.

CERTIFICATIONS

Certified Therapeutic Recreation Specialist (CTRS) – initial certification 10/05/2009; recertification date 12/31/2019

AWARDS & SCHOLARSHIPS

2016 Excellence in Therapeutic Recreation, New Jersey Eastern Pennsylvania Therapeutic Recreation Association
2016 Sabbatical Temple University
2013 Presidential Award, American Therapeutic Recreation Association
2010 Indiana University Doctoral Weir Award
2009-2010 Garret G. Eppley Scholarship
2007-2010 IU HPER Fellowship
2009 David R. Austin Member of the Year Award, Recreation Therapists of Indiana
2007 *Graduate Student of the Year*, Department of Recreation and Leisure Studies, East Carolina University
2000-2004 University of Kansas Mount Oread Scholar

FUNDED GRANT ACTIVITY

1. **Snethen, G.** (Co-PI) *Enhancing community mobility through peer-facilitated travel training: A tree-armed RCT; Parenting through leisure: A randomized, controlled trial to enhance parenting outcomes of individuals with SMI*; Knowledge Translation Director; Research and Knowledge Translation Projects in M. Salzer's (center PI) Rehabilitation Research and Training Center on Community Living and Participation for People with Serious Mental Illnesses. Funder National Institutes on Disability, Independent Living, and Rehabilitation Research (NIDILRR), Center Funding \$4,375,000. [October 2018-September 2023].
2. Pfeiffer, B., & **Snethen, G.** (Temple Co-PIs) in an interdisciplinary RRTC On Home and Community Based Services Outcome Measurement, primary site: University of Minnesota. Funder: National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR), Center Funding \$4,375,000; Temple subaward \$500,000. 90RT5039. [October 2015-September 2020]
3. **Snethen, G.**, (PI) *Promoting community participation: A documentation project*. Funder: Pioneer Center for Human Services, \$25,000. [May 2015-August 2015]
4. Brusilovskiy, E., Salzer, M., **Snethen, G.** (Co-I) *Identifying enabling environments affecting adults with psychiatric disabilities*. Funder: National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR), \$600,000; 90IF0086-02-00 [October 2014-September 2017]
5. **Snethen, G.** (PI) *Supported leisure and recreation for an active life: An RCT* and (Co-PI) *Welcoming spaces: Characteristics of enabling environments*. Research projects included

- in M. Salzer's (center PI) Rehabilitation Research and Training Center on Community Living and Participation of Adults with Psychiatric Disabilities. Funder: National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR). Center funding: \$4,375,000. 90RT5021-02-00 [October 2013-September 2018]
6. **Snethen, G.** (Co-PI), Salzer, M. (Co-PI), Brusilovskiy, E. (Co-PI). *Increasing Community Participation in Adults with Schizophrenia*. Funder: National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR), 84.133G-1. Requested: \$590,000. 90IF0086-02-00 [October 2013- September 2016]
 7. **Snethen, G.** (PI) *Development and Feasibility of an Internet Obesity Prevention and Weight Reduction Intervention for Individuals with Psychiatric Disabilities*, Dean's Incentive Grant. Funder: Temple University College of Public Health, \$4950.00. [January 2013-December 2013]
 8. **Snethen, G.** *Red light, green light: The effects of the behavior traffic light on disruptive behavior in youth with emotional disturbance*. North Carolina Recreational Therapy Association, \$390. [January 2007-December 2007]

Session E2 for the *2016 American Therapeutic Recreation Association "Leisure, Community, and Individuals with Psychiatric Illness" Webinar series*.
5. **Snethen, G.**, Roseboom, N., & Snead, B. (2016). ICAN: Strategies to address Challenges Recreational Therapists face when implementing a Supported Leisure Intervention in Community Mental Health Centers. Session E3 for the *2016 American Therapeutic Recreation Association "Leisure, Community, and Individuals with Psychiatric Illness" Webinar series*.
6. **Snethen, G.** (July 7, 2015). Get movin'!: The importance of physical activity. *Temple University Collaborative on Community Inclusion Webinar Series*. <http://tinyurl.com/importanceofPA>
7. Burns-Lynch, B., Salzer, M., **Snethen, G.**, Baron, R. (June 25, 2015). Jumpstarting community inclusion: Building organizational capacity. *Temple University Collaborative on Community Inclusion Webinar Series*. <http://tinyurl.com/startinclusion>
8. **Snethen, G.** (2012). Evidence based practice: What, why, and how. Session A1 for the *2012 American Therapeutic Recreation Association Evidence Based Practice Webinar Series*.
9. **Snethen, G.**, & Vliet, N. (alpha order). (2013). Utilizing iPads in RT practice. Session I1 for the *2013 American Therapeutic Recreation Association Technology Webinar Series*.

Supervised Student Presentations

1. Kubis, D. (April 2017). Development of a family leisure education toolkit for parents with mental illnesses. 2017 Temple University Recreational Therapy Evidence Based Practice Day. Faculty Supervisor: **G. Snethen**.
2. O'Sullivan, P. (April 2017). GeoCaching: Hunting for Mental Health Outcomes. 2017 Temple University Recreational Therapy Evidence Based Practice Day. Faculty Supervisor: **G. Snethen**.

3. Barzilay, R. & Seaton, M. Adventure therapy and social skill development in adolescents with schizophrenia. 2017 Temple University Recreational Therapy Evidence Based Practice Day. Faculty Supervisor: **G. Snethen.**
4. Snead, B. (April 2017). Biking and severe mental illness: Charting a path toward wellness. 2017 Temple University Recreational Therapy Evidence Based Practice Day. Faculty Supervisor: **G. Snethen.**

COMMUNITY ENGAGEMENT

1. **Snethen, G., & Zook, P.** (May 26, 2016). *Redefined: Owning Recreation*. A public showing of the video short (<http://tinyurl.com/OwningRecreation>) featuring six individuals with mental illness and the importance of community participation and recreation, followed by a panel discussion with consumers. **Media Coverage:** 'Redefining' Mental Health: <http://temple-news.com/lifestyle/redefining-mental-health/>
2. Snead, B., Roseboom, N., O'Sullivan, P., & **Snethen, G.** (April 28, 2016). *What's Happening Fair*. An activity fair aimed at inspiring consumers with mental illness to actively engage in community-based recreation. Nearly 150 consumers, staff, and students attended. Temple TR students conducted leisure assessments and connected individuals to opportunities in the city. **Media Coverage:** <http://philadelphia.cbslocal.com/2016/04/28/temple-holds-mental-health-fair/>
3. **Snethen, G., Snead, B., & O'Sullivan, P.** (October 8, 2015). *Physical Activity Fair*. A physical activity fair aimed at 1) the importance of physical activity, 2) community resources to enhance physical activity levels, 3) strategies to incorporate physical activity into daily life, and 4) setting and monitoring physical activity goal for individuals with mental health conditions. 125 consumers, providers, and community members attended this event. **Media Coverage:** Physical Activity Fair: <http://temple-news.com/lifestyle/physical-activity-and-accessibility/>
4. **Snethen, G., & Zook, P.** (July 25-26, 2015). *Smithsonian's Festival ADA: 25 Years of Disability Civil Rights*. Hosted interactive table raising awareness about strategies to support individuals with mental health conditions to navigate barriers and increase independent participation in the community.
5. Bowling, J. & **Snethen, G.** (November 22, 2013). *The Affordable Care Act and Me!* An event co-hosted by the Temple University Collaborative on Community Inclusion and the Mental Health Association of South Eastern Pennsylvania to gain awareness about mental health parity and receive support on navigating the Insurance Marketplace. Nearly 100 consumers, providers, and members of the Temple community attended.

TEACHING ACTIVITIES

Courses Taught

Temple University

1. THRC 9381 Independent Study: Evidence Based Practice II (Spring 2018) [3 students]

2. THRC 8101 Evidence Based Practice in Recreational Therapy I (Fall 2016 [10 students] (Fall 2017) [13 students])
3. THRC 8102 Evidence Based Practice in Recreational Therapy II (Fall 2018) [12 students]
4. THRC 9381 Independent Study: Using graphics to communicate recreational therapy research (Fall 2017, 1 student)
5. THRC-9381 Independent Study: Development of a Physical Activity Wellness Program for Mental Health Staff [4 students]
6. RS- 5311 Community Participation and Leisure Time Physical Activity for Individuals with Disabilities (Summer II, 2013) [5 students]
7. CHPSW-5001 Graduate Research Methods I (Summer I, 2013) [5 students]
8. THRC-8141 Conceptual Issues and Contemporary Status of Therapeutic Recreation (Spring 2013 [8 students]; Spring 2014 [12 students])
9. THRC-2103 Foundations of Therapeutic Recreation Practice (Fall 2011 [35 students], Spring 2012 [34 students])
10. THRC-9382 Independent Study (Spring 2012) [1 student]
11. THRC-3196 Research and Evaluation in Therapeutic Recreation (Fall 2012 [17 students], Fall 2013 [25 students], Fall 2014 [20 students], Fall 2015 [22 students])

East Carolina University

1. RCTX-4252 Leadership and Group Dynamics in Recreational Therapy (Spring 2011)
2. RCLS-2601 Leisure in Modern Society (Online; Spring 2011)
3. RCTX-4264 Assessment in Recreational Therapy (Fall 2010)
4. RCTX-4260 Senior Practicum in Recreational Therapy (Fall 2010)

Indiana University

1. HPER-R301 Internship Preparation for Therapeutic Recreation (Fall 2008, 2009)
2. HPER-R363 Internship Supervision for Therapeutic Recreation (Spring 2009, Summer 2010)
3. HPER-R402 Therapeutic Recreation Senior Seminar (Fall 2008, 2009)
4. HPER-R462 Management of Therapeutic Recreation (Spring 2010)

Supervised Graduate Projects

Primary Supervisor

1. Henley Sinner (Summer 2018). Hiking interventions: Strategies to support adults with disabilities
2. Danielle Yentz (Summer 2018). Recreation Toolkit for Children with Visual Impairments
3. Kristen McCrane (Summer 2018). Leisure Education Guide for Temple University Students with Disabilities (part 2)
4. Katherine Clauhs (Spring 2018). Leisure Education Guide for Temple University Students with Disabilities.
5. Brandon Snead (Spring 2017). Pilot earn-a-bike project for adults with serious mental illnesses.
6. Debra Kubis (Pakstis) (Spring 2017). Family leisure: A manual for parents with mental illnesses
7. Morgan Allen (Summer 2017). Stuttering: A toolkit for recreational therapists.

8. Cara Prinzo (Summer 2015). An exploration of recreational therapy students' attitudes toward adults with developmental disabilities.
9. Whitney Strange (Summer 2014). Supporting physical activity: A guide for peer support specialists.
10. Delia Bancroft (Fall 2013). Online Needs Assessment Survey: Increasing Physical Activity in Participants Diagnosed with Psychiatric Disabilities

Secondary Supervisor

1. Paige O'Sullivan (Fall 2017). Photovoice intervention for college students with mental illnesses: A pilot intervention study
2. Sara Heinz (Spring 2014). R.E.A.C.H.: Addressing Social Skills in Students with Neurological Impairment through Recreation and Reflection
3. Jacquelyn Gimbel (Spring 2015). Admitting a loved one to long-term care: The caregiver experience.
4. Aurora Crew (Fall 2014). Beamz therapy guide: Protocols and resources for clinicians. (Editorial Contributor for published notebook)

Dissertation Committee Member

1. Adam R. Wright. (Spring 2015). The Development, implementation, and evaluation of an exercise psychology workshop for personal fitness trainers: A mixed-methods approach.

Guest Lecturer

Temple University

1. THRC-3111 Health Promotion through Leisure Education (November 2015; May 2015/2016) Topic: Implementing Program Evaluation
2. THRC-3203 Therapeutic Recreation and Mental Health (September/October 2016) Topics: Mental health & Physical activity; Community integration in mental health services
3. THRC-1102 Adapted Sport, Recreation and Inclusive Leisure Services (October 2015) Topic: Mental health diagnoses & supported leisure

SUNY Cortland

1. REC-604 Foundations of Therapeutic Recreation (October 2015) Topic: ICAN intervention in Recreational Therapy

Clemson University

1. PRTM-3270 RT Implementation & Evaluation: Mental Health Conditions (March 2016) Topic: ICAN intervention in Recreational Therapy

Indiana University

1. HPER-K551 Movement Performance of the Exceptional Child (Oct. 2009) Topic: ICF and Mental Health
2. HPER-R362 Therapeutic Communication (Nov. 2007) Topic: The Therapeutic Relationship: Working with Aggressive Clients
3. HPER-T142 Living Well (Fall 2009) Topic: Leisure and Health
4. HPER-R277 Introduction to Therapeutic Recreation (Feb. 2010) Topic: Stigma & ADA

Service Learning

1. Employee Physical Activity Wellness Program: Student consultation and development of a physical activity wellness program for LTSR staff at COMHAR in Philadelphia, PA. Students conducted on-site assessments, interviewed staff, and made recommendations for the development of a physical activity wellness program to improve staff wellbeing, decrease burnout, and improve provider ability to support consumers. Summer 2016
2. Faculty Advisor for “Parking Day”: Coordinated Temple University Rec4Life student club involvement in the 2013 Philadelphia Parking Day. Students transformed a parking spot into a miniature “parklet” and games to raise awareness for individuals with disabilities. Fall 2012/2013
3. Advisor Volunteer Trip to NC: Chaperoned 8 students to Greenville, NC to volunteer at the Support Team for Active Recreation (STAR) Adapted Water Ski Clinic on Saturday, June 9, 2012. Students helped provide support for at least 49 persons with a disability including family members, attendants and staff. Summer 2012
4. The GRANDS! Aided in the development of a community program targeted as an information and support group for grandparents raising grandchildren, as well as a social skills development group for the grandchildren. Students in RCTX-4252 practice interview, communication, and facilitation skills. Community Partner: Skalko, D., Pitt County Counsel on Aging. Spring 2011

Other Teaching Activities

Teaching Presentations

1. Murray, K., **Snethen, G.**, & Sniad, T. (Alpha Order). (2014). Why we ditched our textbooks: Creating digital learning materials for better student engagement. Teaching with Technology Symposium, Temple University.
2. **Snethen, G.**, & Hatala, E. (2016). From evidence-based workshops to evidence-based practitioners.

Teaching Grants

1. **Snethen, G.**, Hatala, E., & Hsieh, P. (2013). Alternative Text Project. Awarded \$1000 to convert course text from traditional textbook to open access and journal articles for THRC 3196.

SERVICE

International Committees

1. 2013 Member, World Health Organization- Linking ICF participation codes to measurement tools used in the assessment of individuals with schizophrenia spectrum disorders

Regional Committees

1. 2015 Member, Pennsylvania State Health Improvement Plan Taskforce on Physical Activity and Obesity.

Professional Committees

1. 2013-present Co-Leader, American Therapeutic Recreation Association (ATRA) Evidence Based Practice Committee

2. 2010-2013 Co-team Leader, American Therapeutic Recreation Association (ATRA) Research Team

University Committees

Temple University

1. 2017-2018 Temple University Faculty Committee on Suicide Response
2. 2012-2016 Interdisciplinary Faculty Council on Disability

Department/College Committees

Temple University

1. 2017-2018 CPH Merit Review Committee
2. 2017-2018 Establishing Online MSRT program Committee
3. 2016-2017 Rehabilitation Sciences Faculty Search Committee
4. 2015-2016 Rehabilitation Sciences Faculty Search Committee
5. 2014-2015 Rehabilitation Sciences Faculty Search Committee
6. 2013-2014 CHPSW College Research Day (Chair)
7. 2012-2014 CHPSW Research, Study Leaves and Awards Committee (Chair 2013-2014)
8. 2012-2013 Rehabilitation Sciences Faculty Search Committee
9. 2012-2013 Rehabilitation Sciences Scholarly Innovation/Entrepreneurship Committee
10. 2012-2014 CHPSW Health Ecology PhD Steering Committee
11. 2011-2012 Therapeutic Recreation Library Committee
12. 2011-2012 Rehabilitation Sciences Faculty Search Committee
13. 2011-2012 Rehabilitation Sciences Program Evaluation Committee
14. 2011-2012 CHPSW Visionary Fund Committee Member

East Carolina University

1. 2010-2011 Recreation and Leisure Studies Awards and Events Committee
2. 2010-2011 Recreational Therapy Curriculum Committee

Indiana University

1. 2009-2010 HPER New and Revised Degrees Committee
2. 2009-2010 TR Club Faculty Advisor
3. 2009-2010 Graduate Recreation Society Secretary
4. 2008-2010 Graduate Student Advisory Committee

East Carolina University

1. 2006-2007 Dean's Advisory Council
2. 2006-2007 RCLS Graduate Society President

Community Service

1. 2013 Training/Technical Assistance for Philadelphia Pathways to Housing
2. 2015 Training/Technical Assistance for Delaware Health and Human Services

Editor

1. 2017-Present *Journal of Leisure Research*

2. 2016-Present *American Journal of Psychiatric Rehabilitation*; Book Review Editor
3. 2011 *Therapeutic Recreation Journal (special issue)*; Guest Associate Editor
4. 2012-Present *American Journal of Recreational Therapy*; Behavioral Health Section Leader

Ad Hoc Reviewer

1. 2013-2016 *Journal of Psychiatric Rehabilitation*
2. 2013-2015 *Journal of Behavioral Health Services & Research*
3. 2012-2016 *Disability and Rehabilitation Research*
4. 2012-2016 *American Journal of Recreation Therapy*
5. 2014-2016 *American Journal of Psychiatric Rehabilitation*
6. 2008, 2011 *American Therapeutic Recreation Association Research Institute*
7. 2010-2011 *Journal of Leisure Research*
8. 2008-2009 *Therapeutic Recreation Journal*

Professional Memberships

1. 2005-present *American Therapeutic Recreation Association*
2. 2012-present *New Jersey/Eastern Pennsylvania Therapeutic Recreation Association*
3. 2007-2010 *Recreation Therapists of Indiana*
4. 2007-2010 *Indiana University Graduate Recreation Society*
5. 2005-2008 *North Carolina Recreational Therapy Association*
6. 2005-2007 *East Carolina Graduate Recreation Society*
