**EDUCATION**

**Temple University, Philadelphia, PA**

Doctor of Philosophy- Kinesiology, emphasis in Athletic Training, May 2012

Doctoral Candidate: 2010-2012

Doctoral Student: 2006-2010

Dissertation: "Apolipoprotein E Genotype and Head Impact Response in High School Athletes"

**Temple University, Philadelphia, PA**

Graduation: August 2004

Master of Education-Kinesiology, emphasis in Athletic Training

NATA Accredited Graduate Athletic Training Curriculum

**Towson University, Towson, MD**

Graduation: May 2002, Magna Cum Laude

Bachelor of Science-Athletic Training

CAHEP Accredited Undergraduate Athletic Training Curriculum

**PROFESSIONAL POSITIONS**

2018-Present

**Associate Professor of Instruction/Athletic Training Program  
Director**

2015-2018

**Assistant Professor/Athletic Training Program Director

Responsibilities: Ensuring compliance with CAATE accreditation & University standards for the graduate and undergraduate athletic training programs; creating comprehensive assessment matrices; creating, coordinating and overseeing overall programmatic assessment; mentoring and advising MS and BSAT students and program faculty; creating a new completely online Doctor of Athletic Training program and a new Master of Science in Athletic Training entry-level program; assisting with marketing and recruitment of all programs

Courses: KN 1221: Applied Anatomy & Physiology I (Online)  
KN 1222: Applied Anatomy & Physiology II (Online)  
KN 1223: Anatomy & Physiology I Laboratory  
KN 1224: Anatomy & Physiology II Lecture  
KN 1224: Anatomy & Physiology II Laboratory  
KN 1442: Basic Techniques in Athletic Training  
KN 1444: Movement Injuries  
KN 3444/5245: General Medical Conditions in Athletic Training  
KN 4443/5443: Organization & Administration Athletic Training  
KN 4450/5851: Special Topics in Athletic Training  
KN 4487: Practicum in Athletic Training III  
KN 4687: Practicum in Athletic Training IV  
KN 5142: Foundations of Athletic Training  
KN 5247: Leadership for the Entry-Level Athletic Trainer  
KN 8300: Seminar in Athletic Training/Sports Medicine  
KN 8343: Orthopedics in Athletic Training/Sports Medicine  
KN 8611: Leadership and Cultural Considerations in Athletic Training (Online)  
KN 9287: Graduate Athletic Training Practicum I  
KN 9288: Graduate Athletic Training Practicum II  
KN 9601: Capstone in Athletic Training

2013-2015

**Assistant Professor/ Post-Professional Athletic Training  
Program Director**

**Adjunct Graduate Faculty**

Department of Kinesiology, Temple University

Responsibilities: Ensuring compliance with CAATE accreditation standards and graduate school policies; creating comprehensive assessment matrix; creating, coordinating and overseeing graduate student clinical externship experience; mentoring graduate student research and advising students on post-graduation career preparation

2012- 2013

**Assistant Professor/Athletic Training Clinical Education  
Coordinator**

Department of Kinesiology, Temple University

Responsibilities: Assisting program directors with the coordination and evaluation of undergraduate athletic training students and graduate assistants as per national CAATE rules and Pennsylvania state law; identifying and evaluating potential new internship and assistantship sites; coordinating the interview process for potential new students; performing site visitations to ensure a safe and productive work environment; serving as a liaison between athletic training students and preceptors; advising students on career preparation and graduate school application

- 2012- 2014                    **Adjunct Instructor**  
Department of Psychology & Graduate Studies, Lincoln University  
Responsibilities: Teaching non-traditional students in a hybrid-format  
Courses: HPR 101: Dimensions of Wellness  
              HPR 160: Personal & Community Health
- 2004-2012                    **Assistant Professor**  
**Instructor**  
**Lecturer**  
Department of Health, Physical Education, and Recreation,  
Lincoln University  
Responsibilities: Teaching undergraduate major and core curriculum courses; academic advising for Health Science major students; serving on departmental, school, and faculty committees  
Courses: FYE 101: Freshmen Year Experience  
              HPR 101: Dimensions of Wellness (classroom & hybrid)  
              HPR 102: Lifetime Sports  
              HPR 103: Fitness for Life  
              HPR 225: First Aid & CPR  
              HPR 275: Disease Prevention in the Elderly  
              HPR 308: Kinesiology  
              HPR 314: Athletic Injuries  
              HPR 397: Internship Seminar  
              HPR 406: Fitness Assessment & Management
- 2007-2012                    **Clinical Coordinator (Part-Time)**  
Graduate & undergraduate Athletic Training Education Programs  
Department of Kinesiology, Temple University  
Responsibilities: Assisting program directors with the coordination and evaluation of undergraduate athletic training students and graduate assistants; identifying and evaluating potential new internship and assistantship sites; coordinating the interview process for potential new students; performing site visitations to ensure a safe and productive work environment; serving as a liaison between athletic training students and approved clinical instructors; gathering documents and assisting in the CAATE & PPATEP re-accreditation

Department of Kinesiology, Temple University  
Responsibilities: Teaching undergraduate & graduate major courses; ensuring student work hours are documented and in-line with university policy  
Courses: KN 9287: Graduate Sports Medicine Practicum II

KN 9288: Graduate Sports Medicine Practicum II  
KN3687: Practicum in Athletic Training I  
KN3688: Practicum in Athletic Training II  
KN1442: Basic Techniques in Athletic Training

2008-2012

**Adjunct Instructor**

Department of Kinesiology, Temple University  
Responsibilities: Teaching undergraduate students laboratory and lecture portions of anatomy and physiology; providing hands-on experiences for students including bone, muscle and blood vessel identification, dissection, reading electrocardiographs, and reading respiratory volumes  
Courses: Kinesiology KN1223: Anatomy & Physiology I  
Kinesiology KN1224: Anatomy & Physiology II

Summer 2007

**Adjunct Instructor**

Department of Kinesiology, Temple University  
Responsibilities: Teaching undergraduate students lecture portion of anatomy and physiology; preparing lecture notes and posting them on the Internet through Blackboard  
Courses: Kinesiology KN1224: Anatomy & Physiology II

Summer 2007

**Adjunct Instructor**

Department of Biology, Community College of Philadelphia  
Responsibilities: Teaching nutrition and fitness material to high school students enrolled in the Gateway to College Program; providing hands-on experience for students to perform dietary and fitness analyses  
Courses: Health 101: Introduction to Health & Fitness

2004-2006

**Assistant Athletic Trainer**

Department of Athletics, Lincoln University  
Responsibilities: Providing game and practice coverage of softball, baseball, men's and women's track and field, men's and women's soccer, men's and women's basketball, and men's and women's cross country teams; preventing, evaluating, treating, documenting and rehabilitating sports injuries; educating athletes on proper hydration and drug testing

Summer 2005

**Adjunct Instructor**

Department of Kinesiology, Temple University  
Responsibilities: Teaching undergraduate students lecture portion of anatomy and physiology; preparing lecture notes and posting them on the Internet through Blackboard  
Courses: Kinesiology KN 1223: Anatomy & Physiology I

- 2002-2004            **Teaching Assistant**  
 Department of Kinesiology, Temple University  
 Responsibilities: Teaching undergraduate student laboratory  
 portion of anatomy and physiology  
 Courses: Kinesiology KN 1223: Anatomy & Physiology I  
               Kinesiology KN 1224: Anatomy & Physiology II
- 2003-2004            **Certified Athletic Trainer**  
 Penn State Abington College  
 Responsibilities: Providing game and practice athletic training  
 coverage of baseball, softball, men's and women's basketball, and  
 men's and women's soccer
